

ACCESS Academy 3rd Grade Supply List 2019 - 2020

please reuse supplies you have • please do not label supplies with your child's name

The PTA has financial resources available to families who request help purchasing school supplies (no application, just ask). Please contact: Tanya Schaefer, Co-Chair, Diversity, Equity & Inclusion Committee at access.pta.dei@gmail.com. All requests will be kept confidential. In addition, the PTA works with teachers to ensure all students have the materials they need.

Our classrooms will be using shared materials as an integral part of our program. We emphasize the creation and maintaining of a cooperative and healthy community in many ways (daily meetings, explicit problem solving, mindful moments, etc). We have found that sharing supplies adds much to building a strong community. We also recognize the importance of individuality and personal responsibility and so have addressed those values in organizing supplies in the following way:
