Forecasting provides you with the opportunity to identify the core courses required for you to graduate as well as *elective* courses available to you that can both enhance and support your school experience. PPS requires 24 credits to graduate. A full schedule of eight classes provides you with the opportunity to take maximum advantage of the educational opportunities. You should carefully review the list of courses available, consult with your parents and counselor as needed, and select 8 courses along with alternate course choices that meet your educational goals

Directions: Minimum of 6 classes. Student and Parents need to sign the back of the form.

1. Read through your course guide.
2. Select an appropriate English, Math, Govt/Econ selection, Science, four elective courses.
3. **When complete, you will have circled 8 course requests. You will need to write all 16 codes in the COURSE REQUEST BOX on the back of this sheet.**
4. **Select two alternate electives and write down the name and codes on the back in the alternate elective choices.**
5. Discuss your choices with your parent/guardian and sign this form on back.
6. Return this completed sheet to your English teacher.
7. **Make sure to turn completed sheet in or your schedule will be created without taking your interest into account.**
