

Dear 7th and 8th Grade Astor Families;

September 12, 2017

We are very happy to let you know that we will be starting an After-School Homework Club starting on Wednesday, Sept. 13. Students in 7th and 8th grade will have the opportunity to stay after school from 2:30 to 3:15 every Wednesday and Thursday. They will have time, peace, and space to work and get support when they are in need.

The students will be required to stay until 3:15 unless they have a parent note requesting an early release. If a student is disruptive of the peace, or isn't working consistently, they will be sent home following a phone call home. We are unable to accommodate younger siblings.

The schedule is as following:

Wednesdays and Thursdays: 2:30 – 3:15

Week 1 – Mr. Allen's Room

Week 2 – Ms. Germaneri's Room

Week 3 – Ms. Johnson's Room

Week 4 – Mr. Siron's Room
