Stop and Think
Before you Cross the Street

Please use the CROSSWALKS
when crossing 26th Avenue...

To keep us all SAFE!

Starting the week of January 14, 2019, the Nutrition Services department will be utilizing School Messenger to notify families by phone and email about student meal account balances. Kitchen staff will continue to provide personal phone call reminders and/or paper letters home. If you have questions about student meal accounts or other information, please visit our webpage www.pps.net/nutrition or call our department 503-916-3399.

PPS Nutrition Services provides students with delicious, high quality, nutrient-rich meals to support learning. Educating palates, inspiring culinary curiosity and nourishing the health of the community through school meals.

Where to wait to cross the street at SE 26th Avenue

The Oregon Department of Transportation's Powell Boulevard Safety Project installed a truck apron at the southeast corner of 26th Avenue and Powell Boulevard. The truck apron increases safety by allowing large vehicles to turn without entering the pedestrian zone or encroaching on vehicle lanes.

The truck ramp is located next to the curb, but in the roadway. For your safety, do not wait on the truck apron. We have placed temporary striping on the truck apron to help distinguish it from the sidewalk, and placed temporary barriers on the curb. We are developing a long-term option for distinguishing the truck apron from the sidewalk.

A new wider pedestrian waiting area is also being constructed at the same corner, set back from the curb. This wider waiting area will provide a safer place for students to wait to cross the street.

For your safety, please follow all posted signs and don't enter a closed area where crews are working.

For questions or comments

Contact, Katelyn Jackson, ODOT Community Affairs at 503-731-8503 or Katelyn.Jackson@odot.state.or.us

For your safety, do not wait on the truck apron. Stay on and behind the curb when waiting to cross Powell Boulevard or SE 26th Avenue.

Hosting Foreign Exchange Students

Dear Cleveland families,

Have you ever thought about hosting a foreign exchange student? Cleveland is looking for some host families for 20 high school students from China. Students will arrive in Portland on Thursday, 1/17, and leave Portland on Monday, 2/4. You may host two students if you are able. You will receive stipends.

These students are from Changsha City, Hunan province. They will be shadowing their host student and attending classes at Cleveland during school days. On weekdays, they will learn what American families do on the weekend with your family. ●

If you are interested, please email Amy Liu, aliu@pps.net. Thank you!

SOPHOMORES!

Sophomores interested in creating a two-year IB Diploma plan should make an appointment with IB Coordinator Jennifer Wiandt. Make your appointment at your convenience anytime in December or January by visiting the SSC or the IB Office in Room 230.

Did you know that we have a Student Health Center at Cleveland?

It is like having a doctor's office at school. Your student can see us for any medical need and there is never an out-of-pocket cost.

Cold and flu season is upon us. Ask them to stop by to get their flu shot. Students 15 and older can consent to their own care.
