# CLEVELAND FORECAST FAIR

**What:** Want to learn more about available courses before you forecast for the 2019-20 school year? Come and listen at any of the available sessions. You will receive a listing of sessions during 6th period on January 2nd.

**When:** Thursday, January 3, 2019

Session 1 (9:45 - 9:57)

Session 2 (10:02 - 10:14)

Session 3 (10:19 - 10:31)

**How:** Between 5th and 6th periods teachers will provide information sessions about the courses listed below. Students are invited to attend any session that is of interest. Sessions are limited to 40 students, so ensure your spot by getting there before it starts. If a session fills up, then go to another session and plan on returning to it at a later session.

What if I am a Senior or I know what I am forecasting for already? Teachers not presenting will be available for tutorial time, so find a teacher to get more help from or a classroom to use to get caught up on work. Remember...semester finals are a week away!!

**SENIORS:** Those who did not complete a *diploma name form* in English class in December should see Jan in her office, 228, immediately.

**JUNIORS who are graduating early THIS JUNE** should do the same immediately.  
Thanks for your cooperation.

To keep us all SAFE!

Starting the week of January 14, 2019, the Nutrition Services department will be utilizing School Messenger to notify families by phone and email about student meal account balances. Kitchen staff will continue to provide personal phone call reminders and/or mail letters home. If you have questions about student meal accounts or other information, please visit our webpage [www.pps.net/nutrition](http://www.pps.net/nutrition) or call our department 503-916-3399.

PPS Nutrition Services provides students with delicious, high quality, nutrient-rich meals to support learning. Educating palates, inspiring culinary curiosity and nourishing the health of the community through school meals.
