April 13, 2018

## Principal's Corner

Skyline Families,

Happy Friday. I cannot believe we are at the end of the third quarter already and only have nine weeks to go in the 2017-18 school year.

Thank you to Erin Fast, Amber Anderson and everyone who has volunteered to help her get the Used Book Sale ready for next week. I cannot believe how many books we have ready to sell.

Next week we have late start on Wednesday. School starts at 10:45a.m. and students are welcome to be in the gym beginning at 10:30a.m.

Have a great weekend!

BG Aguirre

## IB Corner

---

Hello Skyline IB World School Families,

This week, the 6th grade class asked that I use my newsletter space for a message from them about the 2nd Annual Art & Poetry Night on April 26th. Let me know if you have questions. We will have a sign-up genius in the newsletter next week for volunteer opportunities.

Heidi Earle  
Skyline IB Coordinator  
[hearle@pps.net](mailto:hearle@pps.net)

“Dear Families & Skyline School,

6th grade is hosting the art and poetry night! It's on Thursday, April 26th from 5:00 to 7:00 p.m. There will be a potluck with worldwide food and a spring theme. Please don't bring allergens (peanuts in particular). There will be fun poetry games to play and art to make. If you would like to share a poem you are welcome to read it. Poetry readings will be judged so make it your best work!

We are also making an art gallery of student art. If you have a piece to share we will collect them next week.

The deadline for signing up to read a poem or display your art items is Friday, April 20th.

Hope you can make it! “

~ The 6th Grade Class

## Counselor's Corner

---

The IB Learner Profile Trait for April is Reflective. Throughout the year, students have learned so much about themselves and the world around them. Spring is a perfect time to reflect on those experiences and develop a better understanding of our strengths and weaknesses. Families can help students grow as learners by evaluating their progress toward goals set at conferences and assisting students as they create new goals for the future.

Have a wonderful week,

School Counselor

## Skyline Marathon Club

---

I am proud to announce that not one, not two but four more club runners have now completed their first Marathon! The hard work and efforts of Sophia and Lucy Casey, Shail Brixey and Scarlett Shinn have brought our club to a total of 11 runners who have completed one or more Marathons! Way to go Eagles! As spring brings us more warmth and sunshine, we will head back out to the track for our Thursday practices. As of now we have ran over 800 miles that's like going from Portland to Yellowstone National Park!

See you on the track!  
Julien

## **Neighborhood Emergency Team Training**

Looking for Skyline Parents to be a part of the Neighborhood Emergency Team (NET); What is NET?

Neighborhood Emergency Teams (NETs) are residents trained by Portland Bureau of Emergency Management and Portland Fire & Rescue to provide emergency disaster assistance within their own neighborhoods. NET members are trained to save lives and property until professional responders can arrive. These volunteers are specially trained to help others without putting themselves in harm's way. NET members are:

1. Prepared to be self-sufficient for two weeks during any emergency.
2. Able to provide emergency assistance to their family and immediate neighbors.
3. Able to work within an emergency response team to save lives and property in their neighborhood.
4. Able to guide untrained volunteers who want to help others during a disaster.
5. For more info: <https://www.portlandoregon.gov/pbem/31667>

While there is an existing NET team in the area, we need more members so we can cover our wide geographic area and especially to be able to help Skyline School. This would not replace what PPS is doing for emergency preparedness but would help in case of an emergency and, by having parents as members; we will be assured of having local resources available, as help from the city could be a long time coming.

The training is free and will be at the Skyline Grange so it's close by. Schedule is: All-day Saturdays May 5, 12, & 19<sup>th</sup>

Then there is a 1/2 day field exercise to finalize your training which will be after the last day and there are multiple days and time available.

To sign up:

You must register online: <http://www.signupgenius.com/go/20f0d4cafa923a7fc1-basic10>
