

Skyline K-8

June 1, 2018

Principal's Corner

Skyline Families,

Happy Friday. I cannot believe next week is the last week of school. I thoroughly enjoyed my first year here at Skyline K-8 and look forward to making next year even better. As we wrap up this school year, I am looking forward to celebrating all the amazing volunteers that have helped in, out and about Skyline this year at the Volunteer Appreciation Tea, Tuesday June 5th from 3:30 – 4:30. Please do not forget to RSVP to mhiser@pps.net.

On the last day of school, we will be celebrating with our last Family Group Activity. It has been great watching the family groups throughout the year, and our last day of school celebration will give everyone a chance to reflect on the year and look forward to next year! The 8th grade clap out will begin at 3:05 as we say good bye to our 8th grade students and wish them all the best as they begin their next journey in High School.

Thank you to all of our parents who have put so much work into tonight's Skyline Carnival. I am really looking forward to it.

Have a great weekend!

We are at the finish line and there are some important transition and closure activities happening at Skyline this week. 5th graders will participate in several middle school transition activities including shadowing two classes and a presentation including Q & A with current 6th graders. 8th graders will be able to question a panel of graduating seniors from several area schools. We will also be hosting our end of the year assembly with the 8th grade clap out at the end of the day on Friday. The community is welcome to attend. The assembly will be from 2-2:45 PM and will include the end of the year slideshow (created by an 8th grade student). The clap-out will begin after 3PM.

Have a wonderful week,
Amy Gervais
School Counselor

IB Corner

Thank you to all of you that came to our 1st Annual IB Night. The students were so proud and having an audience to reflect with is such an important piece of the learning process.

In my Middle School classes this week, I shared this [Ted-Talk](#) about the importance of reflection. As the year comes to an end I hope you can find a moment to reflect with your student/s about their school year and hopes for next year.

In case you like to see what is happening with IB around the world, the latest edition of [IB Global News](#) is out now.

With appreciation for all your support,
Heidi Earle
Skyline IB Coordinator

Eighth Grade Promotion

The 8th grade Promotion Ceremony is Thursday, June 7 at 5 pm in the gym. The ceremony will include student speeches, awards for each of the learner profile traits, and the awarding of promotion certificates for each student. There will be drinks and light snacks following the ceremony.

Volunteer Appreciation

Skyline Teachers and Staff would like to show our appreciation for all the wonderful volunteers that have helped throughout the year. Your time and generosity help our students succeed! We would like to say "Thank You" with a special Volunteer Appreciation on Tuesday, June 5 in the Skyline Library from 3:30-4:30 pm. So we can better plan, please RSVP to mhiser@pps.net if you are able to attend.

In the Spotlight

Six students from grades 3-5 participated in the 2017-18 ORCA (Oregon Reader's Choice Awards). Students celebrated with a "Black and White ORCA" luncheon in the library.

The Lincoln High School Cardinal Choir visited Skyline today and entertained students with their amazing talent. It was great to see so many former Skyline faces!

Summer Library Reading Program

Washington County Library-

The Cedar Mill Community Library and the Cedar Mill Community Library @ Bethany are hosting a Summer Reading Program and all children and teenagers are welcome to join, beginning on Friday, June 1, 2018. Every reader and pre-reader who participates will be able to earn some great prizes, including a free paperback book!

During the summer, both Cedar Mill Libraries will also be hosting special performances by musicians, magicians, and other creative performers. All programs are free of charge and a calendar of events will be available on June 1.

For more information, contact the Cedar Mill Community Library Youth Services Department at (503) 644-0043 ext. 112.

Check the library website <http://library.cedarmill.org> for our calendar of events, beginning June 1.

Multnomah County Library

Summer Reading starts June 15! Libraries rock! Join over 100,000 area youth to play the Summer Reading game at Multnomah County Library. Players read, listen to audiobooks, or complete game board activities, then mark off those days on a game board. Students earn t-shirts and other prizes for making a habit of reading! Summer Reading is free, and kids who finish the game will be entered into a Grand Prize drawing for a trip for four to Great Wolf Lodge waterpark!

Besides supporting reading, the Summer Reading program includes a wide array of fun, free events for children, teens and families. Neighborhood libraries will offer free music, puppet shows, crafts and many other activities all summer long. Reading through the summer helps youth maintain or improve their skills so they can start school in the fall ready to learn. Summer Reading runs June 15-August 31, and you're invited! Find out about library events at <https://multcolib.org/events>. Summer Reading is made possible by The Library Foundation.

I.B. a Recurring Donor!

The Skyline Foundation and PTA would like to give a BIG shout out to those families that have pledged to be recurring donors for Skyline School! These families have shown their commitment to Skyline by giving \$10 or more a month to either the PTA or the Foundation. Some families are even doing their donation through Intel's matching donation program. That's **DOUBLE** the money **EVERY MONTH** for our kids!! Want to invest in **YOUR** child's education and support community projects and extracurricular activities? Just click on the links below and choose Skyline School. Foundation: <https://allhandsraised.org/donate/> (for supporting teacher salaries) PTA: <https://www.paypal.com/donate/> (for supporting community events) For your donation you will receive a swanky car decal! Every dollar counts, so we thank you for partnering with us to make Skyline a better school for our kids!

The Annual Skyline Ridge Neighbors Gathering NEEDS YOUR HELP

This year's picnic will be held on **Sunday, August 19th** from noon-5pm at the Plumper Pumpkin Patch. The last couple of years have been very well attended, with great food, a fantastic silent and oral auction, and beautiful weather. This year, the team is making a SPECIAL EFFORT to have a lot more kid and family focused activities. Children and families are a huge part of life here on the Hill, and we want to do even more to make sure everyone has a great time.

We already have a local artisan who will volunteer with the children to do pottery/ceramics, a couple of teenagers that are ready to help run games and activities, and we have a budget for some kid-friendly/focused lottery prizes!

What we need is a "coordinator" to own this part of the day... We have lots of infrastructure already in place, and decades of previous picnics worth of experience. This is a relatively small commitment of time, and you get the joy and satisfaction of "owning" the family/children part of the picnic!

Please send a note back to srn@srnpdx.org if you are interested. The picnic team is awesome and we can guarantee you will have a great time, or your money back.

Supplies Needed for the Skyline Gagaball Court

We received approval from PPS to install a Gagaball court under the covered play area. It should be a nice addition that gives the kiddos more activities on our rainy Portland days. I am looking for people or companies that would be willing to donate supplies or offer me a big discount. Here's what is needed:

4 - 4x4x10 posts

24 - 2x12x10 planks

96 - 3" lag bolts

8 - elevated post bases

200 - 3" galvanized framing nails

Please contact Deirdre Hubler – dshubler99@gmail.com - if you can donate items, money, or if you know of someone I can contact for donations. We can get you a donation tax receipt if needed.

Skyline School Backpack

The Backpack Program needs help getting food from Sunshine Pantry to Skyline. We use this food to help feed several Skyline families over the weekends. We need at least one pickup every month, but two a month would be ideal. We need non-perishable items, so once you pick them up, you can leave them in your car; pickup and delivery to Skyline doesn't need to be on the same day. Please plan to drop the items off at Skyline's pantry on a Wednesday or Thursday.

Hours: 11:00 a.m. - 2:00 p.m. (no specific day, volunteers arrange in advance)

Location: Sunshine Pantry, 10895 SW 5th, Beaverton, OR 97005

We need the following:

Peanut butter

Jelly

Pasta

Soup

Canned fruit

Cereal

Granola bars

Rice

Tuna
