

## Principal's Message

Dear Ockley Green Families and Community,

I hope everyone was able to enjoy the beautiful weather over the weekend. It certainly makes a difference to have a little sunshine in our lives. In this newsletter I want to be sure you know about two important events happening at OG this week:

### 17 Minutes of Silence

On Wednesday, March 14th we will join other schools in the national observance of holding seventeen minutes of silence for the 17 students who lost their lives during the tragedy at Marjorie Stoneman-Douglas HS in Florida last month. As you may have read in a letter from Superintendent Guerrero, we have been asked to plan a visible, school-wide event. At 10 am on Wednesday, we are inviting our classes to come out to the OG field where we will stand together to form the number 17. You are invited to join us. We are encouraging everyone to wear black that day if they can. If students do not want to participate, a supervised space will be available for them in the building. Some teachers are planning events for the day. Those events will be on campus and may coincide with the gathering on the field. If you would like to join us, please arrive early so that you can check in at the main office and pick up a visitors badge.

### Ockley Green Family Information Night

On Thursday, March 15th at 6 pm in the OG Library we will be holding our first OG Family Information Night for parents and caregivers. The purpose of this evening and evenings to come in the future is to support parents and caregivers in learning more about raising children in the fast-paced, digital age of the 21st century as well as provide a venue where we can be together to discuss issues that face our students today. We have experts in the field from Adolescents and Communities Together, a

Our School Resource Officer, Noah Hill will be there to discuss the broader impacts of cyber-bullying and safe online behavior. I look forward to sharing this night with you.

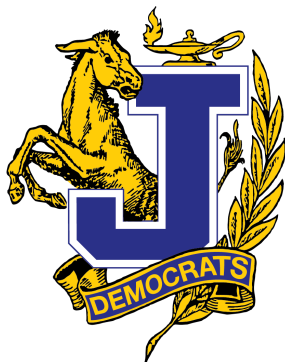

Finally, I want to say how much we all enjoyed having our 5th grade students from our feeder schools join us last Friday. There were over 225 visiting students! The auditorium was packed. I'd like to give a big shout-out to Ms. Stone, our counselor for organizing the tours with the team of 8th grade OG Dragon Leaders and thank the students for their maturity in leading our visitors around OG on a tour. Thank-you as well to Mr. Damon and the dancers and Mr. Littlelyke and his amazing band. I think our new students came away in awe of all we do at OG and are excited to join us.

Have a wonderful week. See you on Thursday night!
