**I have reviewed the Course Guide and discussed my course selections with my parents/guardians. I understand that I may be placed in support classes if test scores or teacher recommendations from my current school make that necessary for my success in high school. I have made my choices thoughtfully and I understand that I will not be allowed to make changes in the fall. I will only be able to drop a full year course at the beginning of 2<sup>nd</sup> semester for extenuating circumstances. Offerings and staffing decisions are based on student forecasting.**
