

**3.50.090-AD Team Transportation**

- (1) Ordinarily, only public insured carriers shall be used for transportation of students for athletic contests. Arrangements for such transportation will be made by the school athletic director in accordance with rules established by the director of athletics, and the processing of payments for such services shall be conducted in accordance with detailed procedures, which are established by the Finance Department. If the district does not provide transportation to a contest, each student's parents shall be responsible for transporting their student to and from the contest.
- (2) In special circumstances athletes may be transported in automobiles of staff members, provided such automobiles are insured according to standards established by the office of the superintendent.
