

4.20.047-AD Commencement Exercises

- (1) **Arrangements — High School Graduation Exercises.** Housing and facilities for such exercises shall be arranged through a cooperative effort of the respective principals and the offices of the superintendent.
- (2) **Wearing Apparel.** The adoption of uniform wearing apparel for commencement exercises shall be determined by the graduating class of each high school and shall be decided by a majority vote of such class. No student shall be required to participate in commencement exercises to receive his/her diploma; but if he/she does, he/she may be required to comply with the prescribed uniform wearing apparel. The decision of students regarding uniform wearing apparel shall be subject to the approval of the principal and the Director of Student Achievement.
- (3) **Qualified Participant.**
  - (a) Only those students who have met requirements for a diploma or a modified diploma may participate in commencement exercises.
  - (b) Those students', who have completed graduation requirements in the Evening School of the district may participate in the commencement exercise in the school of origin, provided they have secured the principal's permission.
