

4.50.020-P Health Services

- (1) Although the primary responsibility of the district is for the education of children, the health and welfare of the students in the Portland schools is a matter of major concern to the Board. It is the intent of the Board that school programs in general be conducted in a manner which enhances student and personnel health and which is conducive to good health practices.
- (2) Physicians, licensed nurses and other personnel of the designated public health agency who may provide direct health services or consultation with school staff regarding student health problems are authorized to provide services in the schools to the extent that their services may be available and in accordance with resolution services and/or contractual agreements developed cooperatively with the district.
- (3) The superintendent shall direct the development of programs through which the intent of this policy shall be carried out and through which all members of the district staff are apprised of their responsibilities in this sphere.
