**Walking Field Trip Permission:**

SUN instructors may take their students on walking field trips in the school neighborhood to parks or area businesses. In order to allow flexibility for these activities, this permission will extend for the entire SUN 2020 session. The SUN coordinator will track where students are going and which students are out of the building.

If you are expecting to take your student out of SUN early for the day, it is important to notify the SUN coordinator in advance what time check out will occur.

***Separate permission forms will always be used when any form of vehicular transportation is involved.***

I hereby give permission for my child to participate in supervised neighborhood walks during the SUN Spring 2019 session.

**Behavioral and Attendance Expectations**

Students can be dropped from a class for not meeting behavioral or attendance expectations. Every effort will be made to solve any problem before a student is dropped, including working with parents/guardians. Please call the SUN coordinator with any questions.

**Parent/Guardian and Student, please read and sign below.**

**Behavioral Expectations**

The safety and well-being of all participants and staff is of utmost importance. To ensure safety in the SUN Community Schools, we require that all participants be able to follow all of the following criteria:

1. Be age-appropriate for the activity or program.
2. Be able to maintain safe behavior during the activity. This means they can participate without harming themselves or others. Specific required behaviors include:
  - Treating adults and other students with respect.
  - Following directions of adult instructors and coordinators.
  - Remaining in assigned supervised areas for the duration of the program.
  - Engaging in safe, non-violent behavior.
3. Participate meaningfully in the activity and not disrupt or distract others.

If you have questions or concerns about whether your child can follow the behavioral expectations above or whether s/he will benefit from the program being offered, please talk with the Peninsula SUN Site Manager, Jalesa Thompson [Jalesat@selfenhancement.org](mailto:Jalesat@selfenhancement.org)

**Attendance Expectations**

Students are expected to commit to attending SUN Classes in which they are enrolled, including arriving on time and remaining for the duration of programming. Inconsistent attendance can result in the student being dropped from classes and their spot in the program offered to another student.

**I have read the behavior and attendance expectations. I know there will be consequences for not following the expectations, including withdrawal from the SUN program:**
