- Have special circumstances or needs.

Two days per student: each student will be placed in classes for at least two days if possible, unless only 1 class was selected. If there is room some students may be placed in a 3rd or 4th day.

Siblings: Every effort will be made to place siblings in classes on the same day but this is not guaranteed.

If you have any questions or concerns please feel free to contact you SEI SUN team.

Dear Peninsula Families,

We are excited to offer some familiar activities and some new ones as well. Please be sure to read over the details of each page and contact us if you have any questions. New at SUN: Family Leadership Team

Want to become more involved in SUN? Do you have ideas on what we can do better or in addition to what we already do? Know someone who would make a great addition to SUN? We'll be discussing ways to improve programming and expand beyond what we already do.

Join us for our first meeting on Thursday January 18th at 6:00pm. Location TBD. Please contact Ms. Blanca if you are interested in being involved.

SUN Behavioral Expectations

All SUN students must follow these behavioral expectations. Students who consistently ignore these expectations may be asked to withdraw from the program and try again during a future session.

The safety and well-being of all participants and staff is of utmost importance. To ensure safety in SUN Community Schools, we require that all participants be able to follow all of the following criteria:

- Be age-appropriate for the activity/program.**
- Be able to maintain safe behavior during the activity. This means that they can participate without harming themselves or others. Specific required behaviors include:**
 - Treating adults and other students with respect.**
 - Following direction of adult instructors and coordinators.**
 - Remaining in the assigned room until dismissal.**
- Engaging in safe, behavior.**
- Participate meaningfully in the activity and not disrupt or distract others.**

Volunteer Help Needed!

SUN can help more students be successful in school and in life thanks to our wonderful volunteers! Please consider helping your community for a day after school each week.

SUN Snack

Have a Food Handler's card? Volunteer to serve our students a healthy snack one or more days a week. Don't have a food handler's but are interested in serving snack? Contact us!

SUN Homework

Simply having an adult presence makes a huge difference – you don't have to have any particular skill or expertise.

Teach a SUN Class!

We are always interested in offering new classes to our students. Got ideas? Let us know!

To volunteer or for more information, please contact Mrs. Gigi at (503) 545-1988 or email: Jalesat@selfenhancement.org.

Does your family need help with food or other support?

Weekend Food Backpack Program: Sign up for our food backpack program to receive non-perishable food at the end of each week. This is possible through our partnership with Take Action Inc. There are no requirements to qualify, and no questions asked about your situation.

SEI is here to help! If you or your family need help paying rent, water, electricity or gas bill, finding a safe place to live, finding a job, or other social service support, SEI may be able to help.

All assistance is confidential.

Contact Mrs. Gigi at 503-545-1988 or Jalesat@selfenhancement.org for more info
