## Announcing the New Principal at Forest Park Elementary School, Dr. Aaron Martini

June 2022

Dear Forest Park Elementary School Community:

I am pleased to announce that Dr. Aaron Martini will be the new principal at Forest Park.

Aaron comes to Forest Park from Chapman Elementary, where he has been assistant principal since 2020. He started his career as an educator in 1996 and has since taught every grade from kindergarten to sixth. Before Chapman, Aaron spent a year at Rosa Parks Elementary, where he served as a school climate specialist, and on the leadership and hiring committees.

Aaron Martini

Many of you no doubt remember Aaron from his previous tenure at Forest Park. He taught first grade there from 2015 to 2019, and served as a member of the equity leadership team.

Aaron earned a bachelor's degree in political science at California State University, Bakersfield and a master's in education at Chapman University in Orange, California. He has a doctorate in Teacher Education in Multicultural Societies from the University of Southern California.

Please join me in welcoming Principal Martini to the Forest Park community.
