

An investment of \$660,000 in High Impact Tutoring from The Fund for PPS's *Champion PPS Schools* nearly doubled the number of schools receiving this critical literacy support that would have otherwise been scaled back due to budget cuts. **45 PPS Elementary Schools** will have High Impact Tutors in 2025-26 thanks to the generous donations from our PPS parent community!

Tutoring will be provided 3 times a week for 30 minutes during the school day in the "What I Need" or WIN time block. Reading is the foundation of all future learning for our students. This research-backed, proven strategy is a huge WIN for our students! Schools were selected by PPS based on reading scores for K-2 students and the number of students identified for additional support.
