Criteria for PAC Decision-Making

Collective Impact/Districtwide
Formula = Method
Improve educational experience
Racial Equity & Social Justice
Measurable
Inspire Future Donations

Other Criteria to Add?

“This policy is designed to foster a spirit of community and shared purpose and facilitate collective impact on behalf of PPS students. Given our common mission and vision, the District encourages parents and community groups to advocate, fundraise and support improving the educational experience districtwide in alignment with our racial equity and social justice values.”

Community Budget Review Committee

The purpose of the PAC should not be confused with the CBRC.

Parent fundraising will not be enough to reduce class sizes, student-to-counselor ratios or replace positions cut by budget reductions.

The Community Budget Review Committee (CBRC) reviews, evaluates, and makes recommendations to the PPS Board of Directors regarding the Superintendent's Proposed Budget and any other budgetary issues the CBRC or the Board identify. The CBRC also reviews the allocation and expenditure of Local Option Levy funds. The CBRC generally meets monthly during budget development season, November through June, with additional meetings scheduled as needed.
