## 2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following locations:

- Blanchard Education Service Center (BESC)- 501 N Dixon st. Portland, OR 97227
- PPS Website- <https://www.pps.net/Page/4070>

## 3. Testing Certification

Portland Public School District certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

## 4. Testing Results

Portland Public School District is current with all required testing as of the date of this document. Test results can be found on the Portland Public School District website at [www.pps.net/Page/5378](http://www.pps.net/Page/5378). Portland Public School District will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact **Joe Crelier** to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: <https://www.pps.net/Page/5378>
- Radon: <https://www.pps.net/Page/5460>

#### 5. Website Link Maintenance

Portland Public School District certifies that all website links for plan information and test results are current and functional.
