*Note regarding Section 19.3.3. – Educator must be compensated if they are directed to move after the school year has started. Educator must be compensated if they are directed to move classrooms for two school years in a row. Example: If an educator is directed to move for the 2017-18 school year, they must be paid for any subsequent administrator-directed move if it is effective prior to the 2019-20 school year. (Educator moves classrooms for 2017-18. Principal can direct educator to move for 2019-20 school year without providing moving compensation. If the administrator directs the educator to move classrooms for the 2018-19 school year, the educator must be compensated for four (4) hours of moving time to pack and four (4) hours of moving time to unpack. If the educator is directed to move in 2018-19 and they are compensated, they would also have to be compensated if they were directed to move again in 2019-20).*
