- B. For the purpose of this Article, "promotion" shall mean the assignment of an employee from their present position to a position having a higher salary classification than the one previously held. Reclassification shall mean that a position occupied by an employee is changed to a higher salary classification but the employee remains in the position. - D. A Job Classification Committee shall be established, comprised of two (2) members appointed by the Federation and two (2) members appointed by the District. The Committee shall review requests that a job assignment be reclassified. The Committee shall develop and maintain procedures to be followed for requesting a classification review of assignment. The Committee shall forward its recommendation to the Chief Human Resources Officer, or designee, who shall consider the recommendation and make a final decision on the request. The employee shall be notified in writing of the decision within ten (10) days. If it is determined that a change in classification is justified, the position shall either be reclassified or the work assignment restructured to comply with the existing classification. The effective date for any salary increase shall be the first of the month following the month in which the original request for reclassification was made by the employee, provided the employee complied with the procedures for requesting a classification review.

Twelve Hundred Dollars (\$1,200.00) from the fund each year shall be available for miscellaneous employees (those working less than half time). Except for tuition, the District shall make direct payment, if agreeable by the provider, following receipt of attendance confirmation.
- B. The District shall pay the full cost of tuition fees, supplies, mileage and any other related costs if employee meets District guidelines for any class, workshop or seminar for which an employee is directed to attend. However, time off or pay must be granted by the end of the next calendar month following the month in which the overtime was worked unless mutually agreed otherwise by the District and the employee. Compensatory time may be accrued to a maximum of forty (40) hours.

**ARTICLE 17:

- C. An employee shall have the right to attach a written statement to any written warning or reprimand and have such statement placed in his/her personnel file.
- D. An employee shall have the right to have a representative present at any meetings which the employee believes may result in discipline, except such right will not exist when the meeting is related solely to the evaluation of the employee's work performance. Prior to such a meeting, the employee will be provided written notice of its purpose and the right to a representative present during the meeting.
- E. Whenever practicable, discipline shall be administered in private and shall be progressive. Progressive discipline shall mean verbal warning, written warning (which may include placement on probation, including improvement expected), suspension without pay, and termination. The nature of the offense shall determine where progressive discipline is initiated.
- F. If a complaint from a parent, co-worker, or other non-supervisory third party is used to support discipline, the employee shall be given the name of the complainant and copies of the complaint or the supervisor's documentation thereof.
- G. Employees shall be expected to return from leave immediately upon expiration of leave. Failure to return from leave or being absent from work without any grant of leave for three (3) or more consecutive workdays shall be considered job abandonment, and the employee will be terminated. If any employee is unable to report to work for circumstances beyond their control, they will be on unpaid leave until the situation is investigated and resolved.
- H. The probationary period for newly hired employees will be six (6) calendar months. Termination of probationary employees shall not be subject to appeal.

**ARTICLE 19:
EMPLOYEE EVALUATION**

- A. Formal evaluation of employees shall be in writing and shall be for the purpose of establishing a record of the employee's work performance. The evaluation may include but is not limited to: establishing performance standards and outcome measures, recognition of an employee's efforts, as well as planning for improvement. Issues of attendance and punctuality may be addressed if they have previously been discussed with the employee. The employee's job description shall be a basis for the evaluation.
- B. The evaluator shall review the written evaluation with the employee and provide the employee with a copy. The employee shall sign the evaluation acknowledging receipt. If the employee has objections to the evaluation, s/he, may within twenty (20) working days following receipt of the evaluation put such objections in writing and have them attached to the evaluation report and placed in his/her personnel file.
- C. The frequency of evaluations shall be determined by the District and generally occur every other year by April 1st for bargaining unit employees. If the District chooses to do so, it may conduct formal evaluations on an annual basis. An employee may request to receive one (1) annual evaluation. Such request shall be in writing to the employee's supervisor with a copy to the Human Resources Department.
- D. The Human Resources Department will consult with the Federation in developing an outline of best practices to be used in conducting employee evaluations.
- E. When the District determines that an employee's work performance is unsatisfactory, it shall inform the employee in writing of any deficiency and the improvement expected and provide the employee with the opportunity to correct the unsatisfactory performance within a reasonable time period established by the District.
- F. The judgment of an employee's work performance by an evaluating supervisor shall not be the subject of a grievance. A grievance concerning an evaluation shall be limited to an allegation that the evaluation was done in bad faith or clearly untrue. The burden of proof shall rest with the grievant. Such grievance shall be filed at the next administrative level above that of the evaluator and that administrator shall provide a written decision within ten (10) working days of any hearing. If the grievance is not resolved, it may be appealed by submitting a written statement to the Human Resources Department within ten (10) working days following receipt of the administrative written decision. The written statement must clearly set forth why the previous decision is in error regarding the allegation of bad faith or being clearly untrue. The Director of Labor Relations, or designee, may review the record of the grievance and/or conduct a hearing and shall issue a written decision within ten (10) working days following such review or hearing. Such decision shall be final.
- G. Effective July 1, 2013, Sign Language Interpreters will be evaluated using the Educational Interpreter Performance Assessment (EIPA) pursuant to OAR 581-015-2035 and/or the District's evaluation form.

**ARTICLE 20:
GRIEVANCE PROCEDURE**

The purpose of this procedure is to provide for an orderly and expeditious adjustment of grievances contended by an employee or group of employees.

SECTION 1 DEFINITIONS

- A. A “grievant” is an employee or group of employees who initiate a complaint alleging that the employee or group of employees have been directly injured through a violation of the terms of this Agreement. The term “grievant” also includes the Federation with respect to grievances growing out of an alleged violation of its organizational rights under this Agreement.
- B. “Grievance” shall mean an allegation by an employee or group of employees that they have been directly affected by a violation of this Agreement. The term “grievance” shall not include and this grievance procedure shall not apply to any of the following:
 - 1. Any matter as to which the Board of Education is without authority to act.
 - 2. Any matter for which a specific administrative or judicial remedy has been prescribed by State and/or Federal Statute, such as employment discrimination, health and safety, etc.
 - 3. Any dispute concerning whether any part of this Agreement became effective or ceased to be effective.
- C. The term “days” shall mean workdays excluding weekends and holidays.

STEP 1

- A. Since the purpose of this procedure is to settle grievances equitably and informally if possible, at the lowest possible administrative level, a thorough discussion of the complaint shall be conducted by the grievant and the supervisor or administrator, who has approved the action which has caused the employee to be aggrieved, to seek grounds for resolution of the problem.

Federation grievances alleging violations of organizational rights may be addressed at Contract Administration.

- B. In the event the problem cannot be resolved at Step 1 A., the grievance shall be submitted to his/her immediate supervisor in writing within thirty (30) calendar days of the alleged violation. The immediate supervisor shall respond within ten (10) days following the date the grievance was presented with a decision in writing. If the aggrieved is not satisfied with the step 1 decision, the aggrieved has ten (10) days from that date of receiving the decision letter to appeal to step 2.

STEP 2

If no settlement is reached at step 1B, the grievance may be appealed by submitting a written statement to the Director of Labor Relations or designee within ten (10) days. Grievances regarding discipline or discharge shall be filed at step 2 within ten (10) days of the alleged violation. Within ten (10) days following receipt of the step 2 grievance, a hearing regarding the appealed grievance will be held with the grievant and his/her representative and a written decision shall be provided within ten (10) days following the conclusion of such hearing.

STEP 3 — ARBITRATION

Insofar as the District’s decision is alleged by the grievant to be a violation of a specific provision of this Agreement, the grievant, through the Federation, may appeal the decision to an arbitrator according to the following procedures:

- A. Within thirty (30) days of the District's decision, the grievance may be appealed to arbitration by requesting that the Oregon Employment Relations Board furnish a list of seven (7) arbitrators. The parties shall then meet to alternately strike one name from the list until one remains and such person shall be the arbitrator. In the alternative, the parties may jointly agree upon a person to serve as arbitrator.
- B. An employee may not appeal to arbitration without approval of the Federation and without notice to the District of the appeal to arbitration.
- C. The arbitrator shall issue a written decision within thirty (30) days of the close of the hearing or submission of briefs, whichever occurs later.
- D. The decision of the arbitrator shall be binding on all parties provided: (1) the arbitrator must restrict the decision to interpretation of the Agreement and may not deduct from or add to or expand this Agreement; (2) is in accordance with the legal meaning of this Agreement; (3) is based on substantial evidence; and (4) does not result in an obligation to pay money beyond amounts budgeted for the particular item of purpose in the current budget. The arbitrator may not award punitive damages.
- E. Should either party wish to seek review of an arbitrator's decision, proceedings must be instituted in a court or agency of competent jurisdiction within thirty (30) days of the effective date of the arbitrator's decision.
- F. Costs charged by the arbitrator shall be fully borne by the losing party in the arbitration.

SECTION 2 GENERAL PROCEDURES FOR ALL GRIEVANCES

- A. The grievant may be represented by the Federation or may represent himself/herself at steps 1-2 of the grievance. Any grievance settlement reached in the absence of involvement by a representative of the Federation shall apply to that grievance only and shall not be a precedent. A grievant shall be given release time without loss of pay to attend a grievance hearing. A unit member, designated by the Federation, who is representing another member at a grievance hearing during working hours shall also be given release time without loss of pay. Should the participation of witnesses in any grievance hearing require the employment of a substitute, the Federation shall reimburse the District for the cost of the substitute.
- B. The number of days indicated at each level should be considered maximum, and every effort should be made to expedite the process.
- C. It may at times become necessary to extend time limits. These extensions are to be kept to a minimum and must be mutually consented to in writing by the parties involved at any time.
- D. Failure at any step of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- E. The Board and its administrators will cooperate with the grievant in the investigation of any grievance, and further will furnish the grievant or his/her representative with such necessary and readily available information as is requested for the processing of any grievance.
- F. Except as otherwise provided by law, an employee shall invoke and exhaust the grievance procedure remedies before resorting to any other legal or administrative remedies of the conduct complained of, and failure to do so shall preclude resort to such other remedies.

- G. A representative of the Federation may be present at all steps of the procedure. The Federation will be notified promptly of the terms of the final decision or settlement of any written grievance.

**ARTICLE 22:
VACATIONS AND HOLIDAYS**

A. VACATIONS

Classified employees who are employed on a twelve (12) month basis shall receive vacation with pay as follows:

MONTHLY ACCRUAL

Less than 1 year	10 days	6.7 hours
1 year to less than 5 years	15 days	10 hours
5 years to less than 6 years	20 days	13.4 hours
6 years to less than 7 years	21 days	14 hours

Employees shall accumulate vacation credits at the appropriate above monthly accrual rate following completion of each month worked. For the purpose of this Article “month worked” shall mean on-the-job time, vacation time and authorized paid leave. New employees shall generally not be eligible to take vacation until completing one (1) year of service. Exceptions may be made upon approval of the employee’s supervisor. However, at no time shall an employee take paid vacation against time not yet earned.

Vacations must be scheduled through an employee’s supervisor. A supervisor may require that vacations be scheduled at a time least disruptive to the department to which the employee is assigned.

The number of days carried over at the end of each calendar year shall not exceed one year’s accrual allowance. Any overage will be lost.

An employee who occupies a position having a work year of less than twelve (12) months and who transfers to a twelve (12) month work year assignment may count the time employed in the previous assignment as qualifying for vacation allowance. The basis for this allowance shall be the number of days worked in the previous position divided by a twenty-two (22) day calendar month. This will be converted to years of service and the employee shall commence to accrue vacation credits at the monthly rate shown above.

The District, however, reserves the right to change the days designated as paid holidays provided that in so doing it does not reduce the number of paid holidays.

3. An employee shall receive holiday pay provided the holiday falls on a scheduled workday of the employee and that the employee worked the nearest scheduled workday immediately preceding and following the holiday. Employees on vacation or authorized paid leave shall be considered as being at work. Employees whose work year is extended (no break in work year, continues employment) by the school or department will be accorded holiday pay for July 4th, provided they meet the criteria established earlier in this section.
4. Employees who are members of a religious faith may be absent without loss of pay up to two (2) days per year specified by that faith as religious holidays which require participation during the workday in religious observances.

ARTICLE 23: INSURANCE

A. HEALTH AND WELFARE BENEFITS

1. Effective January 1, 2018, the District shall contribute to the School District No.1 Health and Welfare Trust (the "Trust") the amount necessary to maintain health insurance benefits that are substantially similar to those provided in 2017 for full-time eligible bargaining unit members, their eligible dependents, spouses, and domestic partners, minus the established employee premium cost share. The Federation shall select the insurance plan(s) and carrier(s) to be provided. The amount of the District's monthly contribution will not exceed \$1,355 per eligible, enrolled full-time employee per month and will be calculated as follows:

The total monthly premium cost (after the buy down amount approved by the Trust, if any) for all eligible, enrolled full-time employees (*total premiums*) minus the total employees' monthly premium cost share (*employees' share*) divided by the total number of eligible, enrolled full-time employees (*total full-time employees*).

The amount for January 1, 2019 until December 31, 2019 will be calculated in fall of 2018 using the same formula when premium costs for 2019 are known. The District's contribution will not exceed \$1,355 per month and the employee monthly premium cost share shall be equal to or greater than the 2018 cost share.

2. The District shall contribute for health insurance benefits for enrolled part-time employees (those regularly working twenty (20) hours or more but less than thirty (30) hours per week) the amount necessary to maintain health insurance benefits that are substantially similar to those provided in 2017 for part-time eligible bargaining unit members, their eligible dependents, spouses, and domestic partners, minus the established employee premium cost share for part-time employees..
3. Full-time and part-time employees working at least half time and working through the entire standard school year will have eligibility for benefits to continue until the September 30 following the end of the school year except those hired after January 15 wherein benefits will continue until July 31, unless the employee has been guaranteed continued employment in the next school year, in which case benefits will continue.

4. The District will monthly submit to the Trust the full agreed upon employee-paid portion of health insurance contributions.
5. Upon request, the District shall allow the Federation to review the District's financial records relating to the contributions made to the Trust under this Article toward the cost of health insurance benefits for Federation bargaining unit members.

B. WORKERS' COMPENSATION

All employees of the District are eligible for State Workers' Compensation benefits. For absence due to a compensable injury as defined in ORS 656.005 (7), an employee shall retain the workers' compensation check which s/he received for time lost. The employee may supplement his/her compensation check with accrued accumulated sick leave.

An employee who is injured on-the-job shall have a right, for a period set forth by the Workers Compensation statutes, to return to a position of comparable duties and responsibilities to the one s/he occupied but subject to the seniority provisions of Article 27.

If a member of the bargaining unit represented by the Union is absent due to a compensable injury as defined in ORS 656.005(7), the District will continue to provide medical, dental, and vision premium payments at the same level as immediately prior to the date the employee's absence began. Such period shall not exceed one hundred eighty (180) calendar days for one (1) injury, unless the employee has paid sick leave remaining beyond the 180-calendar day period, in which case the District will continue to provide such premium payments until the paid sick leave has been exhausted.

In accordance with Article 23, Section B of the parties' Collective Bargaining Agreement, bargaining unit members may supplement their workers compensation check for time lost. The District's obligation to continue insurance payments as set forth in paragraph 1 does not depend on whether employees elect to supplement their time loss benefits with sick leave.

ARTICLE 24: SAFETY

A. SAFE AND HEALTHY WORKPLACE

The District and Federation agree to the objective of a workplace that is free from abusive conduct, harassment, violence, or the threat of violence. The District shall endeavor to maintain safe and healthy working conditions in accordance with established Board policy, Federal and State regulations. An employee shall have the right to refuse to expose him/herself to immediate danger created by an unsafe working condition when such danger threatens substantial bodily harm. The employee shall give notice of the condition to his/her supervisor and shall be subject to assignment to another location or duty while the condition is being investigated and/or corrected.

B. WORKING WITH STUDENTS ON IEPS

The employee may request additional training or assistance in developing strategies to manage behavior. The supervisor will arrange to provide assistance that he/she feels is appropriate.

Reimbursement shall be at replacement cost (not exceeding actual cost) less any insurance or workers' compensation reimbursement. Reimbursement shall not be made for losses of less than Five Dollars (\$5.00) or that portion in excess of Five Hundred Dollars (\$500.00) and shall not be made when carelessness or negligence on the part of the employee was evident.

Employees shall cooperate and support the District in its investigation and resolution of any reported loss. The District will provide assistance in attempting to investigate and/or reclaim other stolen or damaged property including automobiles.

Employees shall not be required to transport students. However, if an employee's supervisor has requested the employee to transport students, and the employee chooses to do so, the District will reimburse the employee for damages done by students to the automobile up to a maximum of Five Hundred Dollars (\$500.00). The District may require verification of damage(s) and cost of repair.

The District shall provide, on a fully paid basis, bodily injury, liability and property damage insurance coverage, to the limits carried by the District for the use of automobiles owned, leased or hired by a unit member while in the normal course of his/her duties as an employee of the District. This coverage shall apply only as excess insurance over and above other valid and collectible liability insurance carried by the unit member. The District may require as condition to this coverage that before the vehicle is used on District business, the unit member provide a license of insurance showing that he or she has at least the minimum amount of insurance required to license a vehicle in the State of Oregon. The District will reimburse the unit member for any deductible cost the unit member is required to pay, as a result of an on-duty accident, not to exceed Five Hundred Dollars (\$500.00). Reimbursement will not be made if the unit member is convicted of or admits to driving under the influence of intoxicants or with a suspended license.

4. For an employee who selects payment on a ten (10) month basis, the last payment shall be subject to three (3) months of authorized payroll deductions, e.g., employee contributions to health and welfare insurance, organization dues, credit union, etc.

C. INITIAL SALARY PLACEMENT

1. Salary placement of new employees shall be determined by the District but with the following considerations:

One (1) step on the salary schedule granted for each two (2) years or major fraction thereof of full time related work experience and/or education. 2. When the District determines that extenuating circumstances exist, it may exceed the above guidelines.

3. Returning Employees

Should a former PFSP-represented employee return to the same or lower, related classification, as previously held within two years of the departure they shall be placed at the same step as they were at their departure date.

A returning employee who was previously employed by the District in the PFSP bargaining unit for more than two years will be placed at Step 2 or higher.

D. WORK YEAR

The Board retains the right and authority to change the days on which school shall be held and to make other adjustments to the work year. In the event of adjustments to the work year, the District shall consult with the Federation before implementing any changes, and the salaries set forth in this Agreement shall be adjusted for the added or deleted days on the basis of the employee's daily rate under said salary schedules.

E. BONUS PAY

The District may implement a bonus pay program for a group of employees (such as employees assigned to a particular school) to receive additional compensation above their normal wage or salary rates based on the group's successful completion of goals specified in advance by the District. Nothing in this agreement precludes bargaining unit members from participating in that program or receiving the bonus pay.

F. OUTDOOR SCHOOL/SIMILAR OVERNIGHT EVENTS

An employee who volunteers, is assigned, and attends Outdoor School or other similar overnight academic events with students, will be reimbursed for their mileage and meals and receive a \$75 per day stipend. Employees will also be paid for actual time worked beyond the regular scheduled work day, including overtime in accordance with Article 16.A.

G. BUS RIDER STIPEND

Employees who volunteer and are assigned to ride the bus with a student to and/or from the student's home shall receive a stipend of two dollars (\$2.00) per day for each day assigned. Effective the first pay period following the execution of this agreement, the amount of the Bus Rider Stipend will increase to ten dollars (\$10.00) per day for each day assigned.

H. PERSONAL VEHICLE USE

Employees who are required to use their personal vehicles for travel on behalf of the District during on-duty time, shall be reimbursed at the current I.R.S rate. The District may require as

a condition for reimbursement that the employee provide a certificate of insurance showing that the employee has basic liability coverage equal to or greater than that required to license a vehicle in the State of Oregon. An employee required to travel to two (2) or more work sites shall receive mileage reimbursement provided they have met the above stated certification requirements.

I. SCHEDULE

The Federation and the District agree that if the District implements a biweekly or semi-monthly payroll system, that the provisions of Article 25 relating to payroll checks shall be modified to allow a biweekly payroll.

ARTICLE 26: REDUCTION OF STAFF

This article shall not apply to less-than half-time employees or employees that have not successfully completed six (6) consecutive months of service in a bargaining unit position.

SECTION I. SCHOOL CLOSURE

In the event of a school closure or merger, all unit members from the merging school(s) initially will be assigned proportionately to the receiving school(s) or work locations(s). Preferences for preliminary assignment to the new school or work location shall be honored based upon the seniority of the unit member, unless the requirements of the position make the request impracticable. Employees who are not selected for assignments in the receiving schools, will be unassigned within classifications at the merged schools pursuant to Section II below.

SECTION II. LAYOFF

- A. NOTICE: In the event staff reductions become necessary, the District shall give the Federation as much advance notice as is practicable of anticipated reductions and offer to meet with the Federation to discuss reductions before implementing such reductions.
- B. SENIORITY: For purposes of this article, length of service is defined as the length of continuous service in a bargaining unit position. The District will consider personnel for layoff in the inverse order of their length of service, but with consideration given to special qualifications, areas of experience, program, minority employment, and levels of training.

In the absence of such considerations, length of service shall be followed. Prior to laying off or reducing work hours of employees who regularly work half-time or more, the District shall consider eliminating less than half-time assignments.

- C. ORDER OF LAYOFFS: Staff reductions shall be accomplished within job classifications based on length of service. An employee whose position is eliminated due to such reduction, shall be entitled to "bump" the least senior employee in the employee's job classification (see Appendix A) or any other classification in which the employee has worked for the District in

the last three (3) years. If a vacancy exists in a position that is paid equal to or lower than the employee's current position, the employee may be offered the assignment at the District's discretion.

- D. **SPECIAL SKILLS:** The District may choose when conducting a layoff to retain an employee who would normally have been laid-off because of the special skills, training, or abilities that the employee to be retained has which are required for the position. In exercising this right, the District will notify the Federation of the District's intent to implement this exemption option and will discuss the reasons for exercising the exemption process with the Federation.
- E. **VOLUNTARY LAYOFF:** An employee offered an assignment of lower classification or reduced work hours due to staff reductions, may elect voluntary layoff. In such cases, the employee shall be entitled to any recall rights provided by this Article.
- F. **REASSIGNMENT:** An employee rejecting a change in assignment which is comparable in classification and work year shall, by doing so, relinquish any seniority and recall rights provided by this Article, and this Agreement shall be terminated.
- G. **RECALL:** Employees who are laid off, shall be rehired in inverse seniority order into future vacancies within their classifications in assignments for which they are qualified prior to employment of a new hire. Such rights of recall shall extend for a period of fifteen (15) months from the day of layoff. Employees recalled by the District shall be reinstated with seniority rights accumulated as of the date of their layoff. Any employee recalled by the District for a position comparable to the one from which s/he was laid off, and who rejects such an assignment, shall relinquish all rights provided in this Article and Agreement, and shall be terminated. Employees are responsible to provide the District up to date information and must respond within seven (7) calendar days from the time of notice to accept or reject such an assignment. Failure to respond within seven (7) calendar days shall constitute rejection of the assignment and such employee will relinquish all rights provided in this Article and Agreement, and shall be terminated.

Placement in support of students subject to 504 funding shall be voluntary. In the case of Unassignments, choosing to not be placed in support of students subject to 504 funding shall NOT waive Recall Rights nor Seniority Rights. It is understood that an Educational Assistant agreeing to be placed in 504 support may be returned to work out of Seniority order.

- H. **LATE HIRES:** Employees who are hired on or before the first day of the second semester who are laid off and rehired into a regular position within five (5) months of their date of layoff, shall be given credit for time worked and attain rights of recall as described above.
- I. **NOTIFICATION OF ASSIGNMENT:** By May 30, the District will notify, in writing, employees of their intended employment status with the District for the following school year. The District shall make a reasonable effort to notify affected employees of changes in staffing plans that occur during the summer recess. The District shall make a reasonable effort to

provide 260-day employees with as much notice as practicable regarding changes in staffing plans, with a minimum 2-week notice of layoff. Failure by the District to provide such notice of changes in staffing plans following issuance of notification will not interfere with the authority of the District to reassign or terminate an employee.

- J. REDUCTION OF HOURS: An employee's work hours shall not be reduced without two (2) weeks written notice to the employee with a copy to the Federation. An employee whose total hours are reduced more than 30 minutes per day, may reject the reduction in hours, and exercise his/her seniority for reassignment.

Employees shall not be entitled to "bump" into a position with greater FTE than their previous assignment. If a vacancy exists in a position that is paid equal to or lower than the employee's current position, the employee may be offered the assignment at the District's discretion.

Temporary hours may be added at the District's discretion, but shall not be included in determining reduction in hours, bumping, or recall.

- K. RESTORATION OF HOURS: In the event the number of hours of work are reduced for any employee or group of employees within a department or school, and budget funds are restored to that department or school within the following twelve (12) months, the District shall, when practicable, give priority to reinstating the hours to the affected employees before hiring additional staff in the employee's classification within the department or school. In addition, if the position is reinstated before the beginning of the employee's scheduled work year following its elimination, the employee may return to his/her previous position. An employee whose work hours are reduced may submit an online application indicating the positions for which the employee is interested.
- L. UNASSIGNED EMPLOYEES: An employee declared unassigned at the end of the academic year, but who has been given reasonable assurance of continued employment by the District, shall be placed on a list of such employees for assignment in accordance with Article 12.E.2. The District, when practicable, shall consider preferences of the employee, which shall be collected and recorded in a standardized manner.
- M. NOTIFICATION TO THE FEDERATION: The Federation shall be provided with the names of all unassigned employees, their preferences per Section L, above, and the staffing placement.
- N. EVALUATION PERIOD: When an employee is reassigned, due to an unassignment, to a department he/she has never worked in, the employee will be required to complete a sixty (60) working-day probationary period. The purpose of the probationary period is to ensure the employee has the necessary skills and abilities to perform the duties of the new job. If it is determined that the employee is unable to perform the necessary duties, the employee will be unassigned and referred to the Human Resources Department for a new placement.

- O. DEPARTMENT or SCHOOL-BASED REDUCTIONS OF STAFF: In the event that staff reductions must be made in individual departments, worksites, or schools, these reductions must be made based on seniority, according to Section II of this Article.

**ARTICLE 27:
SCHOOL IMPROVEMENT COUNCILS**

A. PARTICIPATION

In accordance with HB 2991, each School Improvement Council shall include representation by a classified employee. This representative may be elected by classified employees at the individual building site.

B. MEETINGS

Classified Employees shall be compensated for their participation on the Council according to the provisions of this Agreement.

Participation in School Improvement Council meetings shall be voluntary.

C. TRAINING

Classified employee representatives will be included in all training programs offered to School Improvement Councils.

**ARTICLE 28:
DURATION OF AGREEMENT**

- A. The effective date of this Agreement is July 1, 2017. This Agreement will continue in effect until June 30, 2019.
- B. In the event that, under applicable laws, some other method of representation or some other applicable representative for the employees is elected, this Agreement shall not terminate, but shall be fully binding according to its terms upon any and all employees or successors to the Federation as exclusive representative of employees or portion thereof, except as to the representation of employees for whom the Federation remains the exclusive collective bargaining representative by law, such event shall terminate the rights and authority of the Federation under this Agreement.

Memorandum of Agreement

between

Multnomah County School District #1J (the District)

and

Portland Federation of School Professionals (PFSP)

The District will continue to fill overtime positions for Campus Security Agents by first soliciting volunteers to work available overtime.

The District will apply the following procedure when necessary to assign mandatory overtime in non-emergency situations due an insufficient number of volunteers:

1. All Campus Security Agents will be ranked on an overtime list in order by seniority with the most senior Campus Security Agent being at the top of the list, and the newest Campus Security Agent being at the bottom of the list at the start of each school year.
 - a. Seniority will be determined by the number of years each Campus Security Agent has been a Campus Security Agent.
 - b. The overtime list will be a rolling list. Once a Campus Security Agent completes an assigned overtime shift, they will be placed at the top of the overtime list.
 - c. Campus Security Agents who are hired during the school year will be placed on the bottom of the overtime list once they have been hired.
2. Overtime will be assigned beginning at the bottom of the overtime list.
 - a. If the person on the bottom of the list has already volunteered to work the event or is otherwise working for PPS at the time of the assignment, then the next higher person on the overtime list will be selected. The Campus Security Agent at the bottom of the list will remain at the bottom of the overtime list for the next time the list is used.
3. Campus Security Agents assigned overtime will be compensated for a minimum of four (4) hours at the overtime rate. This provision only applies to overtime of a call-back nature.

4. Campus Security Agents will be notified via District Email as soon as possible once selected for assigned overtime from the overtime list and at least 48 hours from the start of the overtime shift, unless a bona fide exigency prevents such notice. If a Campus Security Agent is required to work an assigned overtime shift with less than 48 hours' notice, the Campus Security Agent will be paid an hourly rate equal to two times their normal hourly rate.
5. A Campus Security Agent(s) may request to be excused from a specific overtime assignment based on a significant hardship. The District Security Director or Security Manager will review a request based on significant hardship on a case by case basis. If the request is granted, the Campus Security Agent will remain at the bottom of the list for the next overtime opportunity.
6. If the Campus Security Agent does not report for the assignment, he or she could be subject to discipline depending on the totality of circumstances and would remain at the bottom of the rolling seniority list to be assigned to the next occurrence.
7. Once the Campus Security Agent completes the assigned overtime shift, the Campus Security Agent is placed at the top of the rolling seniority list by order of seniority.

Memorandum of Agreement

between

Multnomah County School District #1J (the District)

and

Portland Federation of School Professionals (PFSP)

The Federation and the District recognize the value of fair and consistent guidelines for placing employees on the Salary Schedule. The parties hereby agree to the following process for reviewing the current placement process and discussing potential improvements.

1. Within six (6) months of the execution date of this Agreement, the District and the Federation will form a Committee and meet.
2. Each party may designate up to four (4) representatives to participate on the Committee.
3. The Committee will meet at least once per month until the parties have developed mutually-agreeable recommendations for amending the current placement language in the Collective Bargaining Agreement. The recommendations will be submitted to the Senior Director of Employee and Labor Relations. The Senior Director of Labor Relations will seek District approval to adopt the recommendations, and if approval is given, will propose a Memorandum of Agreement to the Federation to amend the existing language in the Collective Bargaining Agreement.
4. If, after four meetings, the Committee is unable to agree upon recommendations to submit to the Senior Director of Labor Relations, the Committee members appointed by the Federation may submit recommendations for consideration to the Senior Director of Labor Relations. The Senior Director of Labor Relations will respond to the recommendations in writing within thirty (30) days.

This Agreement will become effective upon execution by the parties.
