8.3.2 Overloads

NEW 8.3.2.1

Effective in the 2024-25 school year, PPS will budget no less than \$1,000,000 annually in set-aside funds to be used for FTE allocation towards core classes projected to, or actually exceeding, teaching load thresholds. The District will allocate set-aside funding to assign .5 FTE educational assistants, or paraeducators in special education classrooms, prioritizing teaching load relief in K5 classes until this set-aside fund is exhausted.
