ARTICLE 2

TEMPORARY EMPLOYEES

- A. A temporary employee is one who is hired to fill a position with a duration of six (6) consecutive months, or less, or to replace a regular employee on an approved leave of absence or absence due to an on-the-job injury, not to exceed six (6) consecutive months.

- B. Temporary employees are entitled to all benefits of this Agreement except the benefits provided by Articles 18.A.5, B.1, 2, 3 and 4, 21 and 22.A of this Agreement.
- C. Temporary employees will, upon re-employment, be given seniority credit for previous time worked as a temporary unless a period of six (6) months or more has elapsed since their last period of employment.
- D. CUSTODIANS – Temporary employees will be hired in rank order from the Civil Service Board Eligibility List. Employees hired as temporary will retain their position on the civil service list. The District shall notify the Union of the beginning date and projected ending date for each temporary employee hired.

**ARTICLE 3
STATUS OF AGREEMENT**

- A. This Agreement shall modify, replace or add to any policies, rules, regulations, procedures or practices of the District which are or shall be contrary or inconsistent with its terms. The provisions of this Agreement and specific modifications thereto found in the appendices shall be incorporated into and become part of the established policies, rules, regulations, practices and procedures of the District.
- B. In the event a conflict should occur between any provision in the body of this Agreement and a provision in any properly executed Exhibit, Appendix, Understanding or other attachment to this agreement, the provisions of the respective attachment shall be controlling.
- C. In the event that any provision of this Agreement is or shall at any time be determined to be contrary to law by a court or agency of competent jurisdiction, all other provisions of this Agreement shall continue in effect. Only the subjects of the deleted provisions and the affected provisions shall be subject to further collective bargaining during the term of this Agreement with respect to the period covered by the Agreement. Any further collective bargaining resulting from the terms of this paragraph will be conducted according to ORS 243.702.

- D. There shall be four (4) signed copies of the final Agreement for the purpose of records. Two (2) shall be retained by the District, two (2) by the Union.
- E. The District shall print and provide sufficient copies to the Union for distribution to all employees covered by the Agreement within a reasonable period of time following ratification. The District shall provide a copy to all new employees.
- F. The District, the Union and their respective representatives shall take no action in violation of, or inconsistent with, any provision of this Agreement.
- G. The parties acknowledge that during negotiations which resulted in this Agreement, each had the right and opportunity to make demands and proposals with respect to any subjects appropriate for bargaining, and that the understandings and agreements arrived at by the parties are set forth in this Agreement. Therefore, except as otherwise expressly provided for in this Agreement, or as required by State collective bargaining law, or as provided by the Custodians' Civil Service Law, the District and the Union agree that the other shall not be obligated to negotiate or bargain collectively with respect to any subject matter, during the term of this Agreement.
- H. It is anticipated that during the life of this Agreement, District upgrades of its computer and records systems may make it feasible to implement a weekly or biweekly payroll and may necessitate other changes in payroll and record keeping. As these changes occur, the parties will use the contract administration process to make appropriate adjustments to the provisions of this Agreement to accommodate these changes. The Union preserves its rights under Oregon law to bargain over the changes in payroll and record keeping in addition to utilizing the procedures of Article 4 - Contract Administration of this Agreement.

**ARTICLE 4
CONTRACT ADMINISTRATION**

- A. At the request of either party, representatives of the Union and the District shall meet at mutually agreed times and places for the purpose of reviewing the administration of this Agreement.
- B. These meetings are not intended to bypass the grievance procedure, and shall not constitute an invitation to continuously renegotiate the provision of this Agreement. The Union may, however, present a problem on behalf of a group of employees which involves an alleged violation of this Agreement, and only after failure to resolve the problem at these meetings may the Union upon its own initiative file a grievance at Step 2 provided that the Union must show by clear and convincing evidence throughout the grievance proceedings that at least one employee has been directly adversely affected by the alleged violation of the Agreement.
- C. The District shall provide the Union with a current list of the employees covered by this Agreement along with the following information for each:
 - 1. Employee Name
 - 2. Last Known Address
 - 3. Last Known Telephone Number
 - 4. Employee ID Number
 - 5. Date of Hire
 - 6. Classification
 - 7. Work Location
 - 8. Member/Fair Share Status
 - 9. Amount of Dues/Fair Share Fees Being Remitted For The Month
 - 10. Amount of Voluntary Political Action Contributions Being Remitted For The Month

The District agrees to provide this information to the Union each month in electronic format. The District also agrees to provide to the Union a separate monthly electronic report indicating which bargaining unit members have separated from employment during the preceding month and the corresponding date of separation. The Union agrees that it will indemnify, defend and save harmless the District and all persons acting on

behalf of the District from all suit actions, proceedings, complaints, claims, liability or expense resulting from the implementation and compliance with this Article or any provision thereof.

**ARTICLE 5
UNION RIGHTS**

- A. The Union, through its representatives, shall have the right to transact official Union business relevant to employees on School District property at all reasonable times, provided that it does not interfere with or interrupt classes or other normal School District operations. Such rooms or other appropriate meeting facilities shall be made available for Union use as requested without charge to the Union, except that the Board may make reasonable charge when special service is required beyond normal operational practice.
- B. The Union representative shall have the right to use School District facilities and equipment, including typewriters, photocopiers, calculating machines and all types of audiovisual equipment at reasonable times, when the same are not otherwise in use. This shall not include use of, or access to, the District's computer equipment and systems, including but not limited to, equipment used for its HRMS, financial, purchasing and inventory administration. The Union agrees to pay the cost of all materials and supplies incidental to such use.
- C. Union representatives shall make their presence known to the appropriate administrative authority when visiting School District facilities. Such visits shall not interrupt work or disrupt normal School District functions.
- D. The Union shall have the right to make non-controversial announcements at employee staff meetings or by use of any existing communication procedures not ordinarily available to students including e-mail if appropriate. The District will distribute to each new hire a Union New Employee Packet. The Union will provide the packets to the District.
- E. The Union and its representatives shall have the right to post notices of activities and matters of Union business and concern on staff bulletin

boards. At least one such bulletin board shall be in each School District building. The Union may use the District mailboxes for communications.

- F. The District shall make available to the Union upon ample request to the Office of the Superintendent any and all reasonably available information, statistics and records which are relevant to negotiations or necessary for the proper enforcement of the terms of this Agreement including the processing of grievances pursuant to Article 11. Should such requests exceed more than two (2) per month, or fifty (50) pages total, the Union shall upon written request, reimburse the District for the costs involved in fulfilling the Union's request at the loaded hourly rate(s) and the number of hours worked by the person(s) fulfilling the request. Printed and copied documents shall be invoiced at the rate of four cents (4¢) per page. Other materials shall be invoiced at their actual cost to the District. This provision does not apply to, nor include, the periodic lists of bargaining unit members that are provided to the Union. Upon Union request, documents that relate to disciplinary action will be provided to the Union free of charge.
- G. Copies of written work rules which are applicable to a classification of employees and issued by supervision after the execution of this Agreement, for which failure to comply may result in discipline of an employee, shall be posted or provided to the Union. The parties further agree that the work rules will not contain specific disciplinary sanctions for violations of the rules.
- H. The Union shall provide the District with the names of authorized union stewards and their work locations. A steward will be granted time off without loss of pay, for time falling within the steward's scheduled hours, to represent employees during grievance hearings and investigatory interviews called by supervision.
- I. The Union shall reimburse the District for the salary and benefit costs of any employee released from his/her work assignment to conduct business on behalf of the Union excluding business conducted with the District.
- J. Upon request of the Union, the District shall provide an unpaid leave of absence not to exceed two (2) years for a bargaining unit employee to

serve as an officer of the Union. Time spent on such leave shall not count toward longevity pay but the employee shall retain his/her promotion eligibility seniority.

- K. With one week's advance notice by employee, District may grant leave for union business subject to operational needs. Such leave may not be unreasonably denied. An employee may utilize vacation leave consistent with Article 22 of this Agreement. Nutrition Services employees may utilize Emergency/Personal Business Leave. Otherwise, such leave will be unpaid.
- L. Two Labor Management Committees shall be formed. The Union shall select three (3) employees each from the Nutrition Services department and the Custodial department to meet with the Directors and/or designees of those departments three times per year (approximately October 15, January 30, and April 15). Either LMC may have additional meetings as needed. LMC Topics for discussion may include but are not limited to:
- Training
 - Efficiency of operations
 - Health and safety as it relates to labor allocation
 - Labor allocation/formulas
 - Respectful work environment
 - Nutrition Services LMC may also discuss job classification changes, additions or deletions.

The decision of the Directors regarding staffing formulas shall be final.

Nothing herein shall preclude an employee or the Union, on behalf of an employee, at other times, from bringing a specific urgent concern to the attention of the Directors, and upon mutual agreement the parties shall have a supplemental LMC meeting.

**ARTICLE 6
NO STRIKE CLAUSE**

During the life of this Agreement, the Union or any employee(s) will not authorize, cause, engage in, or sanction any form of illegal concerted work stoppage, boycott, picketing, or any other interruption of work at, within, or concerning any facilities or operations of the School District. The District shall not cause an illegal lockout of employees from their work.

**ARTICLE 7
MANAGEMENT RIGHTS CLAUSE**

Except as otherwise provided in this Agreement, the Union agrees that the Board and its designees shall retain control and direction over all matters of inherent managerial policy. Such matters shall include, but are not limited to:

- A. The executive management and administrative control of the school system and its properties and facilities, including the development of budgets and actions as may be necessary to meet emergency situations;
- B. Hire all employees and the right to determine their qualifications and the conditions of their continued employment or their discipline, dismissal, demotion, promotion or transfer; except as provided by the Custodians' Civil Service Law, ORS 242.310-640 & 242.990 ("CCSL").
- C. The unqualified right of assignment and direction of work of all of its personnel, and to determine the number of shifts and hours and days of work and starting times and scheduling of all the foregoing;
- D. The unqualified right to establish the work, payroll and school calendars;
- E. Determine the services, supplies and equipment necessary to continue its operations and to determine the methods, schedules and standards of operation, the means, methods and processes of carrying on the work, including automation thereof or changes therein, and the institution of new and/or improved methods or changes therein;
- F. Adopt reasonable rules and regulations;
- G. Determine the location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments,

divisions or subdivisions thereof and the relocation or closing of offices, departments, schools, programs, divisions or subdivisions, buildings or other facilities;

- H. Determine the placement of operations, production, services, maintenance or distribution of work and the source of materials and supplies;
- I. Determine the financial policies, including all accounting and payroll processes and procedures and all matters pertaining to public relations;
- J. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization;
- K. Determine the policy affecting the selection, testing or training of employees, providing such selection shall be based upon lawful criteria, except as provided by the Custodians' Civil Service Law, ORS 242.310-640 & 242.990 ("CCSL");
- L. The selection and utilization of technology;
- M. The District expressly retains the right to contract out or subcontract any work performed in the past by employees, or currently being performed by employees, or that may in the future be performed by employees and the Union expressly waives any duty the District might have under law to bargain these matters. It is expressly agreed that this provision represents the full and complete agreement between the parties with respect to all contracting out. Notwithstanding the requirements of ORS 243.650 to 243.782, by this agreement the District and the Union agree that the District has met its duty to bargain this subject. The Union expressly disclaims and waives any further duty on the part of the District to bargain over the right to contract or subcontract any and all work and the impact of any decision to contract or subcontract any and all work. Before the District contracts/subcontracts work presently, regularly, and exclusively performed by bargaining unit members where such contracting will result in the layoff or demotion of current employees, the following shall occur:
 - 1. The Union shall be notified in writing at least sixty (60) days in advance of the proposed implementation. Such notification shall include an analysis of the likely impact on employees, and shall also

outline the projected financial impact and other considerations that the District has deemed are pertinent to its deliberation to contract or subcontract work.

2. Upon receipt of the notice, the Union shall have ten (10) days in which to notify the District of its desire to meet and discuss the contracting/subcontracting decision. The Union may propose changes in existing work rules, benefits, and/or wage rates in order to compete more effectively with the contractors or subcontractors and/or the Union may propose alternative staffing arrangements that it believes would reduce the impact of the contracting/subcontracting.
3. The District shall not finalize the decision to contract/subcontract such work until after it has afforded the Union the opportunity to meet as provided above and considered all timely Union proposals before a decision is finalized.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District shall be limited only by the specific, written terms of this Agreement and then only to the extent that such terms are in conformance with the Constitution and the laws of the state of Oregon, including the Custodians' Civil Service Law, ORS 242.310-640 & 242.990 ("CCSL").

ARTICLE 8 PAYROLL

- A. Any employee who is a member of the Union, or who has applied for membership, may sign and deliver through the Union to the District's Payroll Office an assignment authorizing deduction of membership dues in the Union. Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and July 1 of any year. Pursuant to such authorization the District shall deduct the regular monthly dues from a regular salary check of the employee during each calendar month. With respect to all sums deducted by the District pursuant to said

authorizations, the District agrees to remit such items within ten (10) days from the date of deduction to the Union.

- B. Upon appropriate written request from the employee, the District shall deduct from the salary of any employee and make direct deposit or other appropriate remittance for the following approved deductions:

Savings Bonds

Approved Charitable Organizations

Health Insurance Premiums

OnPoint Credit Union

Up to two (2) different accounts with financial institutions

Fixed or Variable Tax Deferred Annuity Plans

I.R.C. Section 125 Flexible Spending Account Plan

- C. Any employee who has applied for Citizen Action for Political Education (CAPE) payroll deduction, may sign and deliver through the Union to the District's Payroll Office an assignment authorizing deduction in addition to their regular membership dues amount. The new total amount authorized to be deducted will be given in writing to the District's Payroll Office. Such authorization shall continue in effect from year to year unless revoked or changed in writing from the Union to the District Payroll Office. Pursuant to such authorization, the District shall deduct the regular monthly amount from a regular salary check of the employees during each calendar month. With respect to all sums deducted by the District pursuant to said authorization, the District agrees to remit such sums within five (5) working days from the end of the calendar month in which the deduction was made.
- D. When employment terminates by discharge, layoff or resignation, the District will issue the employee's final wages in accordance with state law no later than the first business day after the last scheduled day of work. If state law changes from the payment procedure stated above, the District's practice will change in accordance with state law.

**ARTICLE 9
FAIR SHARE**

- A. All employees in the bargaining unit who are not members of the Union shall make fair share payments in lieu of dues to the Union. Such payment toward the cost of collective bargaining and contract administration shall not exceed the usual and customary monthly dues. Fair share deductions shall be made in the first full month of employment. The amount of such deductions shall be remitted by the District to the Union within ten (10) days from the date thereof.
- B. Bargaining unit members who exercise their right of non-association, only when based on a bona fide religious tenet or teaching of a church or religious body of which such employee is a member, shall pay an amount of money equivalent to regular monthly union dues to a nonreligious charity or to another charitable organization mutually agreed upon by the employee and the Union and such payments shall be remitted to that charity by the employee in accordance with ORS 243.666. At the time of payment, notice of such payment shall simultaneously be sent to the District and the Union by the employee.
- C. The Union agrees that it will indemnify, defend and hold harmless the District and all persons acting on behalf of the District from all suit actions, proceedings, complaints, claims, liability or expense resulting from the implementation or enforcement of this Article or any provision thereof. In the event any such liability or expense is incurred, the District may withhold the amount thereof from any remittances which the District is to make to the Union under provisions of this Agreement; but this provision for withholding remittances shall not be the exclusive remedy of the District.

**ARTICLE 10
ENTIRE AGREEMENT**

This Agreement constitutes the sole and entire existing Agreement between the parties and completely and correctly expresses all of the rights and obligations of the parties. No prior oral or written past practices, agreements, procedures, traditions, and rules or regulations shall continue or be controlling. The Union,

for the life of this Agreement, voluntarily and unqualifiedly waives its right and agrees that the District shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter which was or might have been raised in bargaining but which is not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of the Union at the time that it negotiated or signed this Agreement.

Any changes to this Agreement are subject to the written approval of the Union and the District.

ARTICLE 11 GRIEVANCE PROCEDURE

The purpose of this procedure is to provide for an orderly adjustment of grievances contended by an employee or group of employees.

SECTION 1 – Definitions

1. A “grievant” is an employee or group of employees who initiates a complaint alleging that they have been directly injured through a violation of the terms of this Agreement. The term “grievant” shall also include the Union with respect to alleged violations of its organizational rights under this Agreement.
2. A “grievance” is an allegation by an employee that they have been directly injured by a violation of this Agreement. A grievance shall be filed within thirty (30) calendar days of the date the grievant(s) knew, or by reasonable diligence should have known, of the alleged violation. The term “grievance” shall not include and this procedure shall not apply to any matter for which a specific administrative or judicial remedy has been prescribed by the State and/or Federal Statute (Such as employment discrimination, employment and dismissal of custodians, health and safety.).

3. When processing a grievance, the term "days" shall refer to calendar days except for traditional recess periods (winter break, spring break, summer), which are part of the employee's established work year.
4. Grievances regarding discharge shall be filed at Step 3. Group grievances may, with mutual agreement of a Steward and the Department Head, begin at Step 3. Group grievances will be submitted to the Department Head with the request to begin at Step 3. The Department Head will respond to the request within seven (7) days following the date the grievance was presented.

SECTION 2 – Grievance Process

STEP 1

The grievant, with or without union representation, shall discuss the grievance with his/her supervisor (Assistant or Associate Director in Nutrition Services). The supervisor shall respond, in writing, within seven (7) days following the date the grievance was presented.

STEP 2

If the grievance is not settled at Step 1, within seven (7) days, the grievance shall be submitted in writing to the department head who shall promptly conduct an investigation. A grievance shall include a statement of the grievance and relevant facts, the provisions of the Agreement alleged to be violated, and the remedy requested. The Department Head shall respond in writing within fourteen (14) days after receiving the written grievance.

STEP 3

If the grievance is not resolved at Step 2, it may be appealed within seven (7) days to the Director of Human Resources (or the designee), who may either review the grievance or appoint an appropriate administrator to conduct a review. The review at Step 3 shall be completed within thirty (30) days, shall include a meeting and be deemed a hearing under ORS 332.544. The Director of Human Resources (or designee) shall respond, in writing, to the Union within seven (7) days of the completion of the review.

STEP 4

- A. If the grievance is not resolved at Step 3, the Union shall, within thirty (30) days, notify the District, in writing, of its intent to arbitrate and within fifteen (15) days of such notice, the Union shall request a list of arbitrators from the Employment Relations Board as provided below.
- B. The administrative decision regarding the grievance shall be submitted to the Superintendent for action by the Board of Education. The Board shall act on said recommendation on or before its second regular meeting following receipt of the recommendation. A copy of the Board's decision shall be furnished to the parties.

STEP 5 – Arbitration

Insofar as the Board decision at Step 4 is alleged to be a violation of a specific provision of this Agreement, the grievance may be submitted to according to the following procedures.

- A. The arbitrator shall be selected from a list of five (5) Oregon arbitrators provided by the Employment Relations Board who are also certified by the American Arbitration Association. Each party shall then alternately strike one name from the list until one remains and such person shall be the arbitrator. Nothing is intended to preclude the parties from mutually agreeing on an arbitrator.
- B. An employee may not appeal a grievance to arbitration without Union representation and without notice to the District of the appeal to arbitration.
- C. In reviewing disciplinary cases, the arbitrator may not use a work performance standard other than the one adopted by the District. The arbitrator must render his/her decision in writing within thirty (30) days following completion of the hearings. The arbitrator's decision shall be final and binding unless properly appealed and set aside. Any such appeal must be filed in the forum of competent jurisdiction within thirty (30) days of the issuance of the arbitrator's decision.
- D. The decision of the arbitrator shall be binding on all parties, provided: (1) the arbitrator must restrict his/her decision to interpretation of the Agreement, (2) it is in accordance with the legal meaning of this Agreement, and (3) it is based on substantial evidence.

- E. The costs of the arbitration shall be shared equally by the parties.
- F. The arbitrator's decision shall be confined exclusively to the explicit provision(s) of this Agreement at issue between the parties. The arbitrator shall have no authority to add to, detract from, remove, alter or amend or in any other way modify any provision of this Agreement or impose on any party hereto a limitation or obligation not explicitly provided for in this Agreement. The arbitrator shall not substitute his/her judgment for that of either the District or the Union.

SECTION 3 – General Procedures

1. The grievant must be present at Step 1 and may be present at all other steps. In processing the grievance, the grievant may:
 - a. Represent himself/herself as described in Step 1 of this grievance procedure, or
 - b. Be represented by his/her Union at the Union's expense.
2. It may at times become necessary to extend time limits. These extensions are to be kept to a minimum and must be mutually consented to in writing by the parties involved.
3. Failure at any step of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
4. The Board and its administrators shall cooperate with the grievant in the investigations of any grievance, and further will furnish the grievant or his/her representative with such necessary and readily available information as requested for the processing of any grievance.
5. Except as otherwise provided by law, an employee shall invoke and exhaust the grievance procedure remedies before resorting to any other legal or administrative remedies for the conduct complained of, and failure to do so shall preclude resorting to such other remedies.

6. A representative of the Union may be present at all steps of the procedure.

**ARTICLE 12
DISCIPLINE, DEMOTION AND DISCHARGE**

- A. No employee shall be disciplined without cause. Discipline shall include written reprimands (excluding evaluations) placed in the employee's personnel file, suspension without pay, demotion or discharge. A written reprimand shall be stated as such and becomes part of the employee's personnel file. An evaluation or matters related thereto involving comments regarding the employee's performance do not constitute a reprimand.
- B. The District agrees to follow progressive discipline and any disciplinary action taken against an employee shall be appropriate to the behavior that precipitates said action. The nature and seriousness of the offense shall determine at which level progressive discipline is initiated.
- C. The specific grounds forming the basis for disciplinary action will be made available to the employee in writing. The District will make a good faith effort to apprise employees of their rights of appeal under their contract. Failure to include this notice will not void the disciplinary action.
- D. If a complaint based on an allegation brought by a community member or non-supervisory third-party is used to support disciplinary action, the supervisor shall cause the complaint to be reduced to writing and placed in the personnel file. Subject to the district's legal obligations and restrictions, the names of the complainant shall be disclosed if the employee so requests.
- E. An employee shall have the right to request and have a Union representative present at any meeting that the employee reasonably believes may result in his/her discipline. Prior to such a meeting, the employee will be notified of its purpose and afforded an opportunity to consult with his/her representative. The right of representation will not

exist when the meeting relates solely to evaluation of the employee's work performance.

- F. In the event that an employee is scheduled for a disciplinary conference, the District shall give a minimum of twenty-four (24) hours' notice to the employee of such conference, unless the matter is one of unusual urgency.
- G. The probationary period for newly hired employees will be one (1) calendar year. Periodic written evaluations will be done on each probationary employee. Termination of probationary employees shall not be subject to appeal except as provided by statute.
- H. Training coursework test results shall not be grounds for discipline.

ARTICLE 13 NONDISCRIMINATION

In administering the terms and conditions of this Agreement, the parties agree to comply with applicable State and/or Federal Statutes and/or regulations regarding nondiscrimination, i.e., on the basis of age, gender, religion, race, color, national origin, mental or physical disability, marital status, sexual orientation, veteran status, union, or political activity and association or other category protected by federal, state or municipal law. It is the expressed intent of the Union, in executing this Agreement, that the Board and its designees shall retain sole control and direction over the District's compliance with such laws and/or regulations and that this Article shall in no way be interpreted as affecting the application thereof. The Union and the District shall cooperate in making reasonable accommodations to the disabilities of bargaining unit personnel. The Union shall use its best efforts to direct employees complaining of such discrimination to appropriate District administrative processes. It is the intention of the parties that the interpretation given to this Article shall be consistent with the proper interpretation of the provisions of the Oregon Fair Employment Practices Law.

**ARTICLE 14
PERSONNEL FILE**

- A. Each employee shall have the right, upon request, to review the contents of his/her personnel records (whether located in the official personnel or building personnel file) in accordance with ORS 652.750. Only one official personnel file shall be maintained by the District.
- B. A representative of the Union or counsel for the employee may, (1) at the employee's request, accompany him/her in this review and/or (2) be authorized by the employee in writing to review the file. An employee may request that reprimands (excluding evaluations and reprimands for misconduct) be removed from his/her file after two (2) years, provided that no subsequent such entries of the same nature have been made into that file.
- C. The District shall provide an employee with a copy of any materials placed in his/her official personnel and building personnel file. Materials placed in an employee's file shall bear the date of such placement. An employee may respond in writing within thirty (30) days to any material placed in such file and the response shall become part of the file.
- D. Anonymous materials shall not be placed in the personnel file.
- E. The employee may request materials which he/she feels pertinent to his/her professional career, performance and qualifications be placed in his/her personnel file.
- F. Any official grievance filed by an employee shall not be placed in the official personnel file of the employee, and shall not be used in any connection with or recommendation for job placement or performance.
- G. The reference to an employee's personnel file used herein is not intended to show an employee's possession or ownership; rather, it refers to the District's records of personnel-related information for the individual employee.

**ARTICLE 15
EMPLOYEE EVALUATION**

- A. Formal evaluation of employees shall be in writing and shall be for the purpose of establishing a record of the employee's work performance. The employee's job description shall be a basis for the evaluation. When the District makes changes in job descriptions, they shall be given to the Union, the affected employees, and discussed in the NUTRITION SERVICES Labor-Management Committee meeting. CUSTODIANS – The discussion will occur with the Union's Custodians' Civil Service Board Committee.
- B. The evaluator shall review the written evaluation with the employee and provide the employee with a copy. The employee shall sign the evaluation acknowledging receipt. If the employee has objections to the evaluation, s/he, may within thirty (30) calendar days following receipt of the evaluation put such objections in writing and have them attached to the evaluation report and placed in his/her personnel file.
- C. The District will continue its practice of annual employee evaluations on regular employees. Should budget reductions result in the inability of the District to complete annual evaluations, the District may opt to perform evaluations every other year after written notification of such change to the Union.
- D. Employee evaluations are not grievable.

**ARTICLE 16
OVERTIME AND CALL BACK**

- A. OVERTIME
 - 1. and state regulations. The District and employees covered under this Agreement should work to avoid or minimize hazards. An employee's failure to comply with safety standards when flagrant, deliberate or repeated, may have disciplinary consequences. The District has an obligation to make the standards known to the employees through training programs and hands-on training.

B. PHYSICAL EXAMINATIONS

In the interest of safety and the well-being of students, employees and the public, the District and the Union agree to the objective of a substance-free workplace. The District, at its discretion, may require that new employees have a physical examination including substance testing once a job offer has been made. Such examination of a current employee(s) may also be required when just cause exists.

C. The District will pay for the costs of record checks and fingerprinting of existing employees as required by State law.

Reimbursement shall not be made for losses less than five dollars (\$5.00) or that portion in excess of four hundred dollars (\$400.00) and shall not be made when carelessness or negligence on the part of the employee was evident.

Employees shall cooperate and support the District in its investigation and resolution of any reported loss. The District will provide assistance in attempting to investigate and/or reclaim other stolen or damaged personal property including automobiles.

ARTICLE 21 REDUCTION OF STAFF

DEFINITIONS

For clarity purposes, the following definitions shall apply:

- A. "Department" — For purposes of this procedure the parties shall recognize two (2) departments:
 - 1. Nutrition Services;
 - 2. Custodians
- B. "Vacancy" — An unoccupied position/job that the District has decided to fill.
- C. "Seniority" — Length of an employee's continuous employment with the District from that employee's most recent date of hire
- D. "Bump" — The act of a senior employee displacing an employee with less seniority.
- E. "Layoff" — An employee is considered to have been laid off when he/she is no longer actually working any hours for the District as a result of the reduction of the work force.
- F. "Voluntary Lay Off" — An employee who would otherwise have not been laid off may opt to be voluntarily laid off.
- G. "Recall rights" — Except as otherwise noted herein, laid off employees shall retain recall rights for a period of twenty-four (24) calendar months from the date of layoff. Employees who have exercised a voluntary lay off shall be deemed to have quit and shall relinquish all recall rights.

GENERAL PROVISIONS

- A. In the event staff reductions become necessary, the District will lay off personnel in the inverse order of seniority by classification. The Union shall be provided the opportunity to consult with the District when the necessity of such reductions is determined. Two (2) weeks' written notice

of layoff shall be given to each employee to be laid off under the provisions of this Article. Persons given such notice may not exercise the paid leave provisions of Article 18 - Leaves, except for sick leave when supported by a doctor's statement, funeral leave in case of immediate family, quarantine, mandatory court appearances or jury duty.

- B. An employee whose position is eliminated, but retains his/her employment due to his/her seniority, and who rejects an assignment of equal wage rate and classification shall be deemed to have resigned and forfeit all rights under this Article.

REDUCTION IN FORCE PROCEDURE

- A. The District will terminate all temporary employees replacing regular employees on leaves of absence prior to laying off any regular employee.
- B. Unassigned employees will be allowed, on the basis of seniority, in the following order, to:
 - 1. Fill a vacant position in the same classification. If such vacancy does not exist, the employee may:
 - 2. Bump the least senior employee in the same classification. If there is no one with less seniority in the same classification in the department, the employee may:
 - 3. Bump the least senior employee in the next lowest classification. If there is no one with less seniority in a lower classification in the department, the employee may:
 - 4. Request a voluntary lay-off.
 - 5. Employee will move to layoff status
- C. The parties specifically recognize that an employee affected by the "bumping" process is not the less senior; rather, it is the least senior employee.
- D. An employee who moves to a new position must be able to perform the duties of that position in a satisfactory manner within a two (2) week trial period. If the District disqualifies the employee he/she shall retain the right to bump one (1) more time. If an employee self-disqualifies he/she shall move to layoff status.

- E. Civil Service Custodian: A Civil Service Custodian who bumps into a lower Civil Service classification shall retain his or her previous rate until a position in the original classification is offered. A Civil Service custodian bumped into a Non-Civil Service position will be paid at the next lower wage rate in the lower wage range.

RECALL FROM LAYOFF

- A. An employee who is laid off shall be recalled by the District based upon seniority within the classification from which s/he was laid off.
- B. Employees laid off shall retain such right of recall for a period of twenty-four (24) calendar months from the date of layoff. Employees recalled by the District shall be reinstated with seniority rights accumulated as of the date of their layoff. - C. Civil Service Custodians: A Civil Service Custodian laid off or bumped into a lower classification, including a non-civil service classification, shall retain such right of recall and shall be placed on the eligible list of the civil service board and be appointed (without interview) according to seniority as provided by the Custodians' Civil Service Law, ORS 242.310-640 & 242.990 ("CCSL"). Employees recalled by the District shall be reinstated with seniority rights accumulated as of the date of their layoff. Any employee recalled by the District who rejects such an assignment shall be deemed to have quit and shall relinquish all recall rights provided in this Article and Agreement unless the rejection is due to a reduction of hours by at least 1 hour per day.
- D. An employee who is laid off and recalled by the District into an assignment with reduced hours of at least one (1) hour per day, may reject the assignment, and retain all recall rights provided in this Article and Agreement.

VOLUNTARY LAYOFF

- A. Rather than accept a move to another position, an employee may opt to be voluntarily laid off. The District agrees it will not protest the unemployment

compensation claim of any employee who chooses to be voluntarily laid off. These employees shall be deemed to have quit and shall relinquish all recall rights.

**ARTICLE 22
VACATIONS AND HOLIDAYS**

A. Full-time employees who are employed on a twelve (12) month basis shall receive vacation with pay as follows:

<u>YEARS OF SERVICE</u>	<u>MONTHLY ACCRUAL</u>	<u>ANNUAL ACCRUAL</u>
1-5 years of service	6.7 hours	10 days
6 "	7.4 "	11 "
7 "	8.0 "	12 "
8 "	8.7 "	13 "
9 "	9.4 "	14 "
10 "	10.0 "	15 "
11 "	10.7 "	16 "
12 "	11.4 "	17 "
13 "	12.0 "	18 "
14 "	12.7 "	19 "
15 "	13.4 "	20 "
16 "	14.0 "	21 "
17 "	14.7 "	22 (max.)

Employees shall accumulate vacation credits at the appropriate above monthly accrual rate following completion of each month worked. For employees with dates of hire after the first working day of a month, accrual shall begin (and/or be increased to the next step) the following month. For the purpose of this Article "month worked" shall mean on-the-job time, vacation time and authorized paid leave. Employees may carry over from one (1) fiscal year to the next the equivalent of one year's vacation accrual.

For both full-time and part-time employees, vacations must be scheduled through an employee's supervisor. A supervisor may require that vacations be scheduled at a time least disruptive to the department to which the employee is assigned.

An employee who has scheduled vacation and has sustained an injury covered by Workers' Compensation and is prevented, because of such injury, from taking his/her scheduled vacation and because of a change in the fiscal year would lose accrued vacation hours, shall be allowed to reschedule the vacation period within a reasonable time but not to exceed ninety (90) days after clearance to return to work.

An employee who occupies a position having a work year of less than twelve (12) months and who transfers to a twelve (12) month assignment may count the time employed in the previous assignment as qualifying for vacation allowance. The basis for this allowance shall be the number of days worked in the previous position divided by a 21.75-day calendar month. This will be converted to years of service and the employee shall commence to accrue vacation credits at the monthly rate shown above.

Part-time employees. Part-time employees earn vacation time if they are in assignments designated by the District to be a twelve (12) month assignment. The maximum accrual rate is 6.7 hours per month prorated according to the employee's normal work schedule. The proration is determined by comparing the part-time employee's normal work schedule to the normal full-time work schedule. Vacation is not earned in any year that the employee is absent from work due to unpaid leave or voluntary furlough or voluntary layoff (for example, during holiday vacation periods). Extra hours worked during periods schools are in recess shall not count towards vacation accrual. For employees in positions that are designated as twelve (12) month positions, accrual shall commence the beginning of the month, provided the employee was in the assignment for at least half of the preceding month. A part-time employee who transfers to an assignment of less than twelve (12) months or who terminates employment shall be given vacation time off work prior to the transfer or termination or be paid for any accrued vacation. The District has no obligation to continue any part-time twelve (12) month assignment and there is no implied right to any part-time employee to be placed in a twelve (12) month assignment.

B. HOLIDAYS

Labor Day
Veterans' Day
Thanksgiving Day
New Year's Day
Martin Luther King, Jr. Day
President's Day
Memorial Day

Regularly employed twelve (12) month employees shall receive the above days, and in addition, shall receive Independence Day and Christmas Day. Holiday pay is included in the monthly annual salary of salaried employees. Regularly employed hourly employees shall receive full pay for holidays.

2. Employees shall receive holiday pay provided the observed holiday falls on a scheduled workday of an employee and that the employee worked or was on an authorized paid leave the nearest scheduled workday immediately before and following the observed holiday.
3. The District reserves the right to change the days designated as paid holidays provided that in so doing it does not reduce the number of paid holidays. Thirty (30) days prior to implementing such change, the District shall notify the Union of the reasons therefore and provide opportunity for consultation.
4. Employees who are members of a religious faith may use the leave provisions of Article 18B.4 - Emergency/Personal Business Leave for participation in religious observances when such participation during the workday is required by that faith.

**ARTICLE 23
COMPENSATION**

A. SOCIAL SECURITY

At the time of the execution of this Agreement, continued participation by the District in the National Social Security Pension Act was anticipated. The District shall not take any formal action to withdraw the participation without notifying the Union and providing opportunity for consultation.

B. PERSONAL VEHICLES

Employees who are required to use their personal vehicles for travel on behalf of the District during on-duty time shall be reimbursed by the District. The District may require as a condition for reimbursement that the employee provide a certificate of insurance showing that the employee has basic liability coverage equal to or greater than minimum amounts required by District policy or regulation. Reimbursement shall be at the rate established by the District or Internal Revenue Service, whichever is higher.

C. TRI-MET

The District shall continue its pre-tax program for Tri-Met passes to the extent such current program is offered by Tri-Met.

D. BONUS PAY

The District may implement a bonus pay program for a group of employees (such as employees assigned to a particular school) to receive additional compensation above their normal wage as salary rates based on the group's successful completion of goals specified in advance by the District. Nothing in this Agreement precludes bargaining unit members from participating in that program or receiving the bonus pay.

E. WORK WEAR

Nutrition Services - The District agrees to furnish and maintain aprons for all nutrition services employees. If the District requires chef or lab coats, it shall provide them. The District will not implement any changes to the

Nutrition Services uniforms during the 2010-2011 and 2011-2012 fiscal years.

F. CUSTODIANS – SCHOOL OR SITE CLOSURE DUE TO INCLEMENT WEATHER

Employees have the option to use vacation, emergency personal/business leave, or unpaid leave, if they are not required to work due to closure of their worksite.

G. DISASTER TIME

1. Custodians - Disaster time is when, due to extraordinary circumstances, all operations of the District are closed, including the central administration offices, and all monthly and annual employees continue to receive pay. If an employee is required to work on a disaster day, s/he shall receive straight time above and beyond his/her regular monthly pay.
2. Disaster Time pay will be implemented when:
A state of emergency is declared by the City of Portland, Multnomah County, the State of Oregon, or the federal government, in which the area covered by the emergency declaration includes the service area of Portland Public Schools; and
3. PPS has declared an All PPS Closed day, which includes BESC/central operations; and
Employees are required to work; then
Disaster Time pay will apply, paying double time for actual hours worked.
4. Both parties recognize that there may be “extraordinary circumstances” that do not result in a declaration of a state of emergency.

The Board retains the right and authority to change the days on which school shall be held and to make any adjustments to the work year. In the event of adjustment to the work year, the District shall consult with the Union before implementing any change, and the salaries set forth in this Agreement shall be adjusted for the added or deleted days on the basis of the employee's daily rate under said salary schedules.

By June 1, the administration shall distribute to all worksites and to the Union a listing of those employees selected to work or be on-call for the summer program.

Bargaining unit employees, who have complied with the application procedures established by the District, will be considered for summer, winter, or spring special programs prior to substitutes.
