[1] Deductible waived

[2] Individual deductible and out-of-pocket maximum apply to single coverage only. Family deductible and out-of-pocket maximum apply when two or more individuals are covered on the plan. This plan also includes an embedded per member out-of-pocket max, which is set at the individual OOP amount. Under this plan, deductible must be met before benefits will be paid (except where 1 indicates deductible waived).

[3] For Moda plans, OOP max includes medical copayments and coinsurance. Pharmacy copays and coinsurance and ACT copayments will continue accruing towards Maximum Cost Share.

[4] Benefit is subject to a reference price limitation.

[5] A formulary exception must be approved for non-preferred brand prescription medication.

[6] If enrolled in a Moda medical plan, each covered individual must choose and use a PCP 360 with Moda for that individual to re ceive the enhanced "coordinated" benefit shown in the far left column under that plan when using a provider in the Connexus network. If an individual has not chosen a PCP 360 with Moda, they will receive the "non-coordinated" benefit shown in the center column if using a provider in the Connexus network. Any services by a provider outside the Connexus network will be paid at the "out-of-network" level (far right column under that plan) regardless of whether or not the individual has chosen a PCP 360 with Moda.

[7] For value tier list please visit https://my.kp.org/oebb/plans/ at bottom of page.

[8] For Kaiser plans, acupuncture care, spinal manipulation and naturopathic substance only accrue towards your $2000 benefit maximum. For Moda Plans, acupuncture and spinal manipulation services are subject to 12 visits per plan year.

[9] For Moda plans, CirrusMD app is covered at no member cost sharing. All other virtual care for primary and urgent care services (defined as 2-way video conferencing visits) is covered at a $10 copay with deductible waived for plans 1-5. Plans 6 and 7 is a $10 copay after the deductible has been met.

[10] For Moda plans, member must see their chosen PCP 360 or any in-network specialist to receive the copay benefit.

[11] For Moda plans, the copay listed is for acupuncture and spinal manipulation services only. Naturopathic substances are covered. See Plan Handbook for details.
