The parties agree to the following:

1. All ATU Type 10 Passenger Car Drivers who were scheduled to work on February 23 and 24, will be paid for the two inclement weather days; following all other provisions according to Appendix A, J.

2. Any employee who requested or applied for paid or unpaid leave for the inclement weather days prior to February 23, 2023, are not eligible.

3. This agreement does not set a precedent in any manner and will not be used by either party for any purpose other than enforcing this agreement.

4. The District will make payments under this agreement on the next regularly-scheduled payroll period following execution of this agreement.
