

NON-REPRESENTED RETIREMENT FAQs

2022 – 2023

HOW TO RETIRE

1. Q. **How do I retire from the District?**

A. Complete the PPS Employee Resignation form located at:

<https://www.pps.net/Page/18905>. Mark your resignation form with either retirement option:

- Retirement with PERS (NOT PERS Bubble); or
 - PERS Bubble Retirement
- List your last day of work as your resignation date. If you are a PERS Bubble retiree, your last day of work is the last day of your work or school year (example 6/30/23).
 - Indicate if you are retiring with PERS and the effective date, if applicable. PERS requires that you retire on the first of the month.
 - Sign, date, and obtain your manager's signature.
 - Submit the resignation form to Human Resources (details listed on the form).

2. Q. **Where do I find information about retiring from the District?**

A. Information is located at: <https://www.pps.net/Page/18905>

3. Q. **How much notice must I provide?**

A. PERS Bubble retirees must provide a 30-calendar day resignation notice. Regular retirees (not PERS Bubble) must provide a 2-week notice.

4. Q. **Will I receive confirmation that the District received my resignation form?**

A. Yes. Once your form is received, HR will send an email confirming receipt.

5. Q. **Do I have to do anything else after I submit my resignation form?**

A. No. The District will notify PERS of your resignation. See question #24 and #32 for information on insurance next steps.

HOW TO RETIRE *continued*

6. Q. **How do I retire from PERS?**

- A. Your retirement from PERS is a separate process from your resignation with the District. Contact PERS at 888-320-7377 or review their website at www.oregon.gov/pers. Once we receive your resignation form, the District will notify PERS electronically of your resignation date and any other applicable payroll records.

See additional PERS retirement information below:

- Review PERS' [I Want to Retire](#) web page and follow the instructions.
- Attend an [education session](#).
- Schedule a [retirement application assistance session \(RAAS\)](#).
- Get a written [benefit estimate](#) when you are within 24 months of being eligible to retire. You also can create estimates online earlier through your [Online Member Services \(OMS\)](#) account.

Also, keep the following important points in mind:

- It can take up to 92 days from your retirement date (not the date of your application submission) for your first pension benefit to be paid.
- Once PERS receives your application, they will review your account information and reconcile data with your employer(s) as needed. Data discrepancies can sometimes cause your finalized benefit amount to differ from benefit estimates you received earlier. Remember that benefit estimates are just that — estimates.
- Filling out your application correctly, checking your personal information in [OMS](#) or on your [member annual statement](#), and getting benefit estimates can help you avoid delays in the processing of your application. If you find errors in your personal/account information, contact PPS HR for corrections.
- [Individual Account Program \(IAP\)](#) retirement benefits can typically take from 90 to 120 days to process and complete payments or rollovers. Processing is done both by PERS and Voya, which administers IAPs for PERS.

If you have questions about PERS, [contact Member Services](#) for assistance.

PERS BUBBLE

7. Q. **What is the PERS Bubble?**

- A. The PERS Bubble is a term not officially recognized by PERS. This internal reference is simply a way for employees to retire mid-school year (between December 1 - June 1) and to receive their PERS retirement benefit and PPS paycheck concurrently while working through the end of their work year.

8. Q. **What are the rules regarding retiring and reemployment under the PERS Bubble?**

- A. An employee may retire in the PERS Bubble if the following conditions are met:
- Must have a PERS retirement date on or after December 1, 2022 and no later than June 1, 2023; and
 - Must have submitted a PPS Employee Resignation form (form located online at: <https://www.pps.net/Page/18905>) prior to your PERS retirement date. See question #3; and
 - No internal transfer options are identified; and
 - There is no one on layoff status that is qualified for the position; and
 - Retiree is committing to work through to the end of the employee's work year; and
 - Retiree demonstrates reliable and regular attendance at work and meets all expectations of the assignment while working in the PERS Bubble. Retiree may not be on a leave of absence while working under the PERS Bubble.

9. Q. **Are there layoffs in my area?**

- A. Current layoffs are listed here: <https://www.pps.net/Page/16290>

10. Q. **What happens when the District reemploys me in the PERS Bubble?**

- A. You are committing to continue to work in your current position(s) until the end of your work year.
- You will receive your regular salary (less the 6% PERS pickup contribution).
 - If eligible, you will remain on current active District benefits through July 31, 2023.

PERS BUBBLE continued

- You may elect self-pay insurance benefits starting on August 1, 2023. See page 9 for additional details.
- You do not need to reapply for your job. You will continue in the same position(s) through the end of your work year.

11. Q. If I retire in the PERS Bubble, will I need to re-enroll in active insurance benefits?

- A. No, you will not need to re-enroll in your benefits. You and your covered dependents, if applicable, will remain on your active benefits at the current premium rate through July 31, 2023.

12. Q. What PERS Tier am I?

- A. Tier I - Employees hired before 1/1/1996
Tier II - Employees hired between 1/1/1996 - 8/28/2003
OPSRP - Employees hired on or after 8/29/2003

13. Q. How many hours are PERS Tier I and Tier II retirees allowed to work for a PERS employer once they have retired?

- A. Refer to the charts on pages 6 & 7. The hours limit and the 6-month break requirement is based on your PERS tier and age at the time of retirement. If you surpass these hours while working for a PERS employer, PERS will unretire you and you may have to pay back benefits received from the date you work over the 1040 hours. **Re-employed retirees are responsible for ensuring they do not exceed this limit in a calendar year.** For more information, refer to the PERS website: www.oregon.gov/pers/pages/index.aspx

Note: Although some retirees may qualify to work unlimited hours, refer to Senate Bill 1049 information on pages 6 - 8.

14. Q. If I am a PERS OPSRP member (hired after August 29, 2003), will I be able to retire in the PERS Bubble? What are the hours a PERS OPSRP member can work in a calendar year after retirement?

- A. Refer to the charts on pages 6 & 7. OPSRP employees may retire under the PERS Bubble, but may be subject to an hour limit and a 6-month break requirement. If you surpass these hours while working for a PERS employer, PERS will unretire you and you may have to pay back benefits received from the date you worked over the 600 hours. **Re-employed retirees are responsible for ensuring they do not exceed this limit in a calendar year.** For more information, refer to the PERS website at: www.oregon.gov/pers/pages/index.aspx

PERS BUBBLE continued

Note: Although some retirees may qualify to work unlimited hours, refer to Senate Bill 1049 information on pages 6 – 8.

15. Q. **If I work overtime, does this count toward my PERS annual number of work hours limit?**
- A. Yes, overtime does count toward the PERS hours limit. You may need to retire later than December 1, 2022 to remain under the 1040- hour limit.
16. Q. **If I continue to work in the PERS Bubble until the end of the school year, will my salary be the same as before I retired?**
- A. No. You will be paid your pre-retirement salary, minus the 6% PERS contribution. Once you have retired, the 6% PERS contribution is no longer deducted from your paycheck.
17. Q. **What happens to my sick leave?**
- A. For Tier I and Tier II retirees, accumulated sick leave is reported to PERS. PERS then uses this when calculating your retirement benefit.

For OPSRP members, PERS does not use sick leave when calculating retirement benefits. Any accrued, unused sick leave will be forfeited at the time of your resignation. However, you may donate your unused sick leave to the PAT sick bank, prior to your resignation date. For PERS Bubble retirees, complete your donation request before your resignation date. See more information here: [Human Resources / Sick Leave Bank Information \(pps.net\)](#)

PERS Bubble retirees will retain an accrual balance equal to one day of sick leave, based on the FTE, for each month worked.

Senate Bill 1049

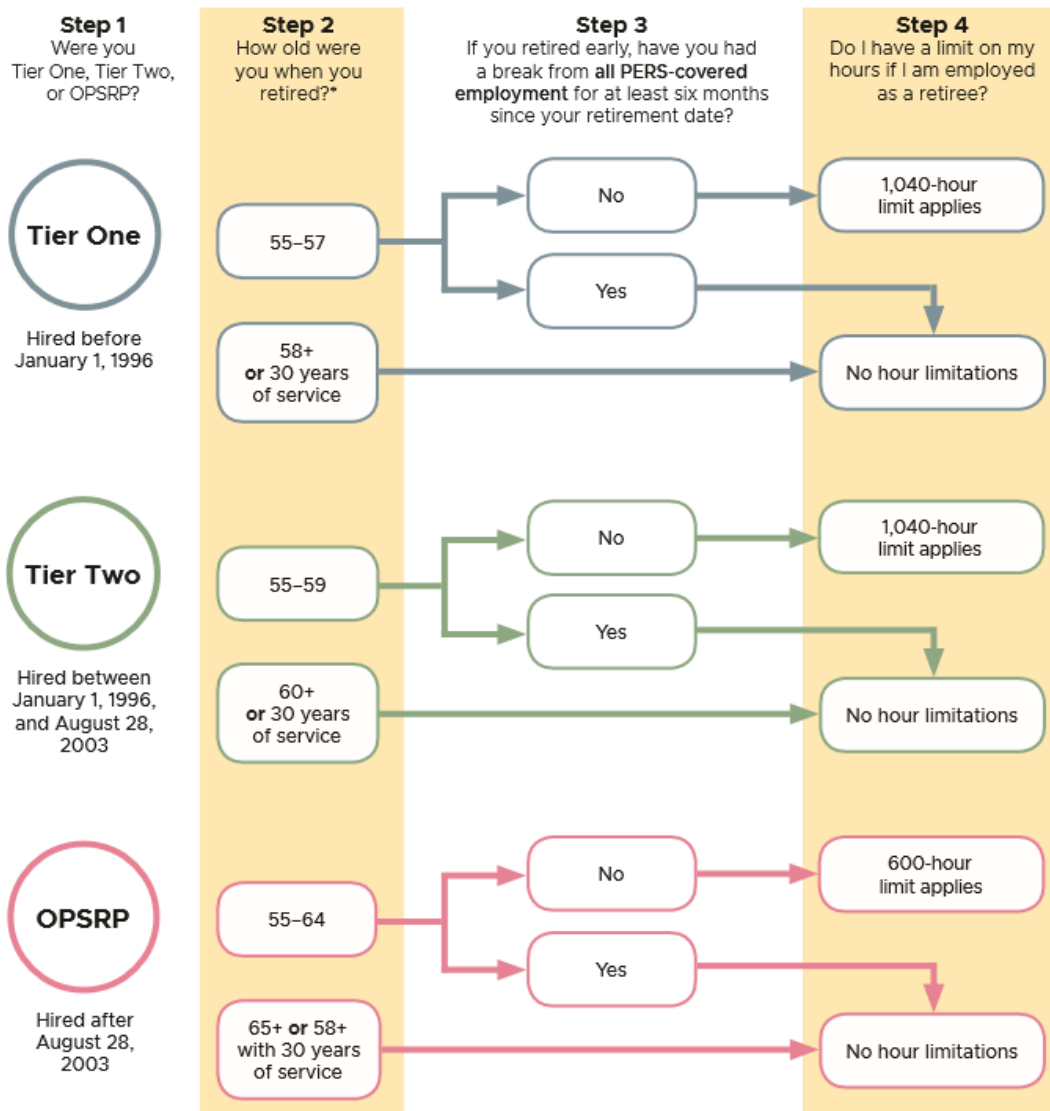

18. Q. What is Senate Bill 1049 and how does it affect me?

- A. Senate Bill 1049 was signed into law on June 11, 2019 and is effective from 2020 through 2024. Although there are several provisions to this law, one main provision is that **some** retirees may work unlimited hours at the District. See chart on page 7.

19. Q. How does PERS determine eligibility for Senate Bill 1049?

- A. See chart on page 7. PERS has provided this as general information for members to understand Senate Bill 1049.

Effective January 1, 2020

20. Q. **Who is eligible to work at the District after retirement with no hour limitations?**

- A. If eligible, a retiree may return to work at the District under Senate Bill 1049 in hard-to-fill areas only, which are in the best interest of the District.

Hard-to-fill areas will be reviewed on a position by position basis and are subject to change. The retiree must have been in good standing based on performance evaluations. Reemployment under Senate Bill 1049 will require the supervisor's recommendation before returning to work.

After a request from the hiring manager and review by Human Resources, qualified retirees may be approved to work unlimited hours in hard-to-fill positions. Hard-to-fill positions vary by content area as well as the time of the year.

Senate Bill 1049 continued

Current hard-to-fill positions are listed here: <https://www.pps.net/Page/16290>

Exceptions may be made for other endorsement areas or positions at CSI or TSI schools or for staff with bilingual or multilingual abilities.

Note: This is not a final, comprehensive list. It is subject to change based on the District's needs.

21. Q. Is there a limit as to how long a retiree can work under Senate Bill 1049?

- A. Yes, the duration of a retiree's employment under Senate Bill 1049 will be for a maximum of one year before reevaluation for continued employment. The position may be extended or changed by mutual agreement.

22. Q. If I am not eligible to return under Senate Bill 1049, can I still work under the PERS Bubble?

- A. Yes, unless an internal transfer option has been identified or someone is in a layoff status that is qualified for the position.

23. Q. What happens to my health insurance?

- B. Health insurance will be offered to a Senate Bill 1049 retiree if they work enough hours as defined by the active employee health plan. If a retiree already qualifies for District-paid retiree insurance, they will remain on their retiree coverage.

HEALTH INSURANCE

24. Q. When I retire, when do my active insurance benefits end?

- A. If you retire under the PERS Bubble and work through the end of your work year, your active coverage ends on July 31.

If you retire at any other time of the year other than the end of the school year, your active coverage end date will vary. If your retirement date is between the 1st and the 15th of a month, your coverage will end at the end of the month in which you retire. If your retirement date is between the 16th and the end of the month, your coverage will end at the end of the following month.

Prior to the date of your active coverage termination, you will receive a packet of information about health care continuation. This packet will contain plan options, costs and how to remit your portion of the premium. Depending on your retirement status, the packet will come from either the District or Benefit Help Solutions. If you do not receive this packet, send an email to benefits@pps.net.

25. Q. What are my options for health insurance after my active insurance ends?

- A. If you have retired from PERS, you and your eligible, covered dependents may self-pay for coverage until you or your dependent become eligible for Medicare whether due to age or disability. Medicare generally starts when you turn 65. Self-pay means that you pay the full cost of the premium.

If you are not eligible to retire with PERS at the time of your resignation, you will be offered COBRA continuation (self-pay) for 18 months. Or, you may purchase health insurance through PERS Health or the Health Care Exchange. See page 11 for contact information.

26. Q. I will be age 65+ when I retire. What happens to my insurance?

- A. When your active health insurance ends, you and your dependent, if applicable, will need to enroll in Medicare. You can enroll in Medicare up to three months in advance. Your Medicare coverage should start the first of the month *after* your active coverage ends.

To elect Medicare, you can make an appointment with your local Social Security office or you may obtain information at: <https://www.medicare.gov/>.

Medicare may require verification of your employment and health care enrollment for either you or your spouse/domestic partner. Contact the PPS Benefits department at benefits@pps.net and request a "Request for Employment Information (CMSL564E) form".

27. Q. How do I purchase a Medicare Advantage or a Medicare Supplemental Health plan?

- A. Health plans are available at PERS Health. Or, you may contact the Senior Health Insurance Benefits Assistance (SHIBA) program. SHIBA provides free assistance with understanding Medicare and Medicare plan selection. See page 11 for contact information.

GENERAL INFORMATION

28. Q. What happens if I am contributing to a 403(b) plan?

- A. Your 403(b) contributions will continue to be deducted until you receive your last paycheck. You may stop your 403(b) deductions at any time by updating your election in PPS PeopleSoft Employee Self Service at:

<https://selfservice.pps.net/psp/ESS/SELFSRV/HRMS/>

If you return to work after retirement and want to restart your 403(b) contributions, you will need to re-enroll in the 403(b) plan.

29. Q. What happens to my life insurance when I retire?

- A. Life insurance continuation options are available post- retirement through Standard Insurance. Life insurance continuation elections must be made within **31 days** of the termination of your active life insurance. The application and cost for continuation of life insurance is available by contacting Standard at 866-756-8115.

30. Q. When does my District system access end?

- A. Your access to District systems like email and Employee Self Service will end at the end of the day on the last day of work for your contract year or as of your resignation date.
