**3. Q. How much notice must I provide?**

Regular retirees (not PERS Bubble) must provide a 2-week notice.

- A. Upon receipt of a resignation notice, the HR Staffing Team will send an email to the employee confirming receipt of the resignation form.

**5. Q. Do I have to do anything else after I submit my resignation form?**

- A. No. The District will notify both PERS and OEGB of your resignation. See questions #22 and #27 for information on insurance next steps.

**6. Q. How do I retire from PERS?**

- A. Your retirement from PERS is a separate process from your resignation with the District. Contact PERS at 888-320-7377 to obtain a retirement application. Additional information is located on their website at [www.oregon.gov/pers](http://www.oregon.gov/pers). Once we received your resignation form, the District will notify PERS electronically of your resignation date and any other applicable payroll records.

## PERS BUBBLE

### 7. Q. What are the rules regarding retiring and reemployment under the PERS Bubble?

- A. An employee may retire in the PERS Bubble if the following conditions are met:
- Must have a PERS retirement date on or after December 1, 2021 and no later than June 1, 2022; and
  - Must have submitted a PPS Employee Resignation form (form located online at: <https://www.pps.net/Page/1660>) at least 30 calendar days prior to your PERS retirement date); and
  - The District decides to continue the retiree's former position; and
  - Retiree is committing to work through to the end of the employee's work year; and
  - Retiree demonstrates reliable and regular attendance at work and meets all expectations of the assignment while working in the PERS Bubble.

### 8. Q. What happens when the District reemploys me in the PERS Bubble?

- A. You are committing to continue to work in your current position until the end of your work year.
- You will receive your regular salary (less the 6% PERS pickup contribution).
  - If eligible, you will remain on current active District benefits through July 31, 2022.
  - If eligible, your self-pay retiree insurance benefits will begin August 1, 2022.
  - You do not need to reapply for your job. You will continue in the same position through the end of your work year.

### 9. Q. If I retire in the PERS Bubble, will I need to re-enroll in active insurance benefits?

- A. No, you will not need to re-enroll in your benefits. You and your covered dependents, if applicable, will remain on current active benefits at the current premium rate through July 31, 2022.

### 10. Q. What PERS Tier am I?

- A. Tier I - Employees hired before 1/1/1996  
Tier II - Employees hired between 1/1/1996 - 8/28/2003  
OPSRP - Employees hired on or after 8/29/2003

### 11. Q. How many hours are PERS Tier I and Tier II retirees allowed to work for a PERS employer once they have retired?

- A. Refer to the chart on page 4. The hours limit is based on your PERS tier and age at the time of retirement. If you surpass these hours while working for a PERS employer, PERS will unretire you and you may have to pay back benefits received from the date you work over the 1040 hours. Re-employed retirees are responsible for ensuring they do not exceed this limit in a calendar year. For more information, refer to the PERS website: [www.oregon.gov/pers/pages/index.aspx](http://www.oregon.gov/pers/pages/index.aspx)

## PERS BUBBLE continued

Note: Although some retirees may qualify to work unlimited hours (per the PERS chart on page 5), refer to Senate Bill 1049 information on pages 4 – 5.

**12. Q. If I am a PERS OPSRP member (hired after August 29, 2003), will I be able to retire in the PERS Bubble? What are the hours a PERS OPSRP member can work in a calendar year after retirement?**

- A. OPSRP employees may retire under the PERS Bubble, but may be subject to an hours limit. Refer to the chart on page 4. If you surpass these hours while working for a PERS employer, PERS will unretire you and you may have to pay back benefits received from the date you worked over the 600 hours. Re-employed retirees are responsible for ensuring they do not exceed this limit in a calendar year. For more information, refer to the PERS website at: [www.oregon.gov/pers/pages/index.aspx](http://www.oregon.gov/pers/pages/index.aspx)

Note: Although some retirees may qualify to work unlimited hours (per the PERS chart on page 5), refer to Senate Bill 1049 information on pages 4 – 5.

**13. Q. If I work overtime or receive a stipend, does this count toward my PERS annual work hour limit?**

- A. Yes, overtime and stipends count towards the PERS hour limit. If your position includes extended hours or stipends, you may need to retire later than December 1, 2021 to remain under the 1040-hour limit.

**14. Q. If I continue to work in the PERS Bubble until the end of the school year, will my salary be the same as before I retired?**

- A. No. You will be paid your pre-retirement salary, minus the 6% PERS contribution. Once you have retired, the 6% PERS contributions is no longer deducted from your paycheck.

**15. Q. What happens to my sick leave?**

- A. For Tier I and Tier II retirees, accumulated sick leave is reported to PERS. PERS then uses this when calculating your retirement benefit.

For OPSRP members, PERS does not use sick leave when calculating retirement benefits. Any accrued, unused sick leave will be forfeited at the time of your resignation. However, you may donate your unused sick leave to the Building Administrator/Non-Rep sick bank sick bank, prior to your resignation date. For PERS Bubble retirees, complete your donation request before your resignation date, which is before your PERS pension start date. See more information here: [Human Resources / Sick Leave Bank Information \(pps.net\)](#)

PERS Bubble retirees will retain an accrual balance equal to one day of sick leave, based on the FTE, for each month worked.

## Senate Bill 1049

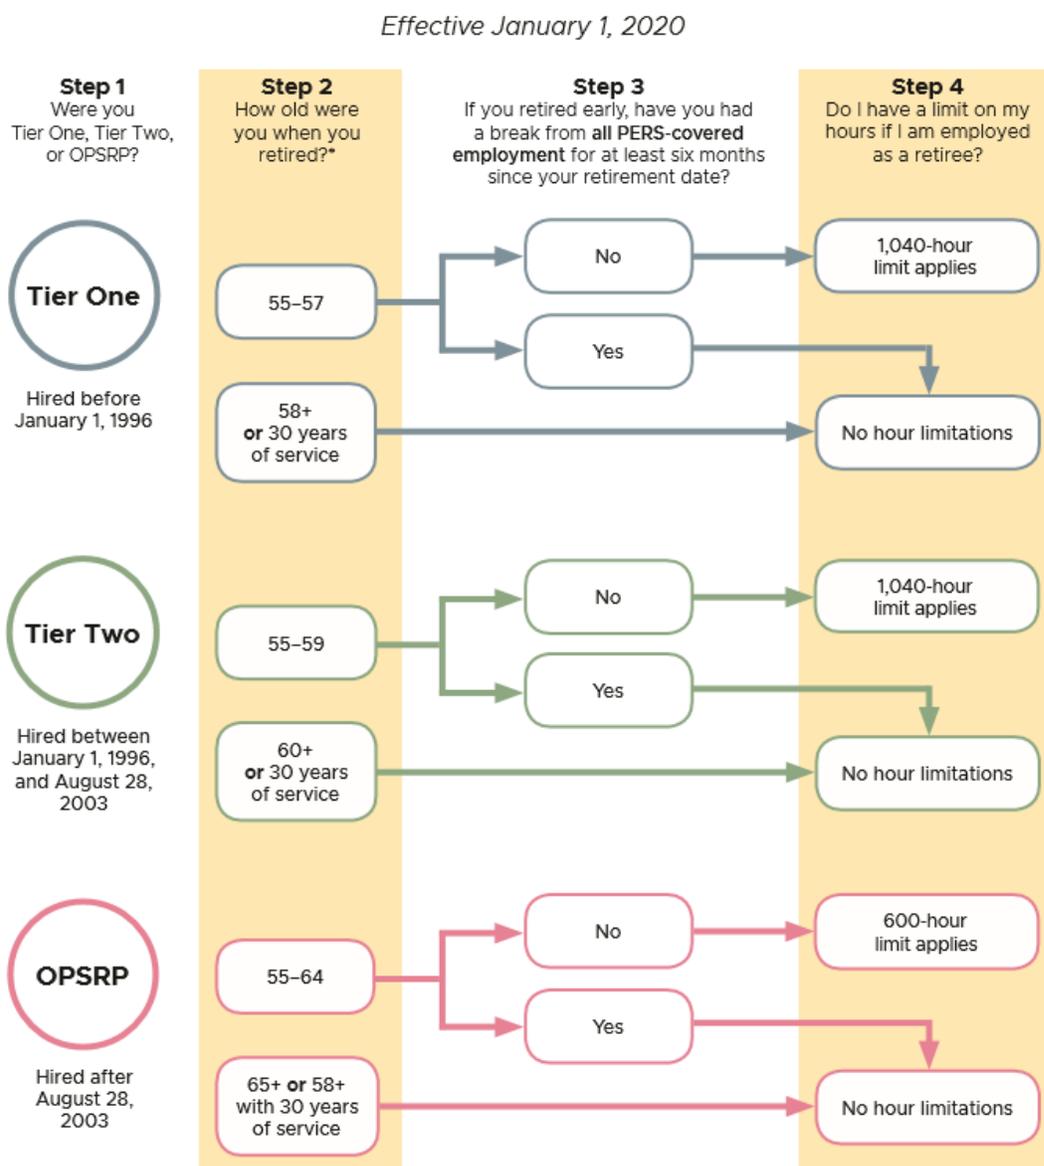

**16. Q. What is Senate Bill 1049 and how does it affect me?**

- A. Senate Bill 1049 was signed into law on June 11, 2019. Although there are several provisions to this new law, the provision immediately affecting retirees is an unlimited hours allowance.

Effective January 1, 2020, some PPS retirees may be able to work at the District with unlimited hours from 2020 – 2024.

**17. Q. How does PERS determine eligibility for Senate Bill 1049?**

- A. Refer to the chart below. PERS has provided this as general information for members to understand Senate Bill 1049.

**18. Q. Who is eligible to work at the District after retirement with no hour limitations?**

- A. If eligible, a retiree may return to work at the District under Senate Bill 1049 in hard-to-fill areas only, which are in the best interest of the District.

Hard-to-fill areas will be reviewed on a position by position basis and are subject to change. The retiree must have been in good standing based on performance evaluations. Reemployment under Senate Bill 1049 will require the supervisor's recommendation before returning to work.

After request from the hiring manager and review by Human Resources, qualified retirees may be approved to work unlimited hours in hard-to-fill positions. Hard-to-fill positions vary by content area as well as the time of the year.

Current hard-to-fill positions are located here: <https://www.pps.net/Page/16290>

Exceptions may be made for other endorsement areas or positions at CSI or TSI schools or for staff with bilingual or multilingual abilities.

Note: This is not a final, comprehensive list. It is subject to change based on the District's needs.

**19. Q. Is there a limit as to how long a retiree can work under Senate Bill 1049?**

- A. Yes, the duration of a retiree's employment under Senate Bill 1049 will be for a maximum of one year before reevaluation for continued employment. The position may be extended or changed by mutual agreement.

**20. Q. If I am not eligible to return under Senate Bill 1049, can I still work under the PERS Bubble?**

- A. Yes, unless an internal transfer options has been identified or someone is in a layoff status that is qualified for the position.

**21. Q. What happens to my health insurance?**

- A. Health insurance will be offered to a Senate Bill 1049 retiree if they work enough hours as defined by the active employee health plan. If a retiree already qualifies for District-paid retiree insurance, they will remain on their retiree coverage.

## HEALTH INSURANCE

### 22. Q. **When I retire, when do my active insurance benefits end?**

- A. If you retire under the PERS Bubble and work through the end of your work year, your active coverage will end on July 31.

If your retirement date is between the 1<sup>st</sup> and the 15<sup>th</sup> of a month, your coverage will end at the end of the month in which you retire. If your retirement date is between the 16<sup>th</sup> and the end of the month, your coverage will end at the end of the following month.

Prior to the date of your active coverage termination, you will receive a packet of information about health care continuation. This packet will contain plan options, costs and how to remit your portion of the premium. Depending on your retirement status, the packet will come from either the District or Benefit Help Solutions. If you do not receive this packet, send an email to [benefits@pps.net](mailto:benefits@pps.net).

### 23. Q. **What are my options for health insurance after my active insurance ends?**

- A. If you are age 55 or older when you retire and you elect PERS retirement when you resign, state statute (ORS 243.303) requires the District to allow you and your eligible, covered dependents to remain on the District's health insurance. You will pay the full cost of the benefits until you are Medicare eligible, which is generally, age 65.

If you do not elect PERS retirement when you resign, you will be offered COBRA continuation (self-pay) for 18 months.

You may also purchase health insurance through PERS Health or the Health Care Exchange. See page 8 for contact information.

### 24. Q. **I will be age 65+ when I retire. What happens to my insurance?**

- A. When your active health insurance ends, you and your dependent, if applicable, will need to enroll in Medicare. Your Medicare coverage should start the first of the month after your active coverage ends.

Medicare requires a 60-day notice to set up your Medicare benefits. You can make an appointment with your local Social Security office to enroll in Medicare or you may obtain information at: <https://www.medicare.gov/>.

Medicare will require verification of your employment and health care enrollment. You may request this from the PPS Benefits department at [benefits@pps.net](mailto:benefits@pps.net). Be sure to ask for a completed Request for Employment Information (CMSL564E) form.

### 25. Q. **How do I purchase a Medicare Advantage or a Medicare Supplemental Health plan?**

- A. Health plans are available at PERS Health. Alternatively, you may contact SHIBA (Senior Health Insurance Benefits Assistance) for free assistance with understanding Medicare and shopping for a Medicare health plan. See page 8 for contact information.
