

Need To Stay Covered?

Did you know that you may be eligible to convert and/or port some or all of your Standard Insurance Company Group Life policy coverage?

Converting allows you to buy an individual life insurance policy while porting allows you to buy group term life portability insurance. To begin the application process:

1. Review your Certificate(s) of Insurance for eligibility details.
2. Call the phone number below to request an application.
3. To convert Life insurance, send your application and premium payment within 60 days after your coverage was reduced or ended.
4. To port Life insurance, send your application and premium payment within 60 days after your employment terminated.
