What is the Cost of Health Insurance Package?

Most District employees share in the cost of health insurance premiums. The payroll deductions for medical insurance are withheld from the employee's pay on a pre-tax basis. Premiums are generally deducted the month prior to coverage (i.e., September paycheck pays for October coverage). Employees on a 10 month pay schedule who are eligible for benefits over the summer will have a triple deduction in June.

For monthly rates/costs, visit the **Health & Welfare Trust website** at https://sdtrust.com/mybenefits_health.php.

Eligible Dependents & Secova Dependent Eligibility Verification

Eligible Dependents

- **Your legal married spouse;**
- **Eligible domestic partner**, living together for six (6) months or more prior to enrolling in PPS benefits - **Affidavit Required**
 - See **Covering a Domestic Partner/Domestic Partner's Child(ren)?** section below for more information
- **Your children and your legal spouse's or domestic partner's children, up to age 26:**
 - This includes natural children, stepchildren, legally adopted children, children for whom you are the legal guardian, foster children, and children for whom you are legally responsible to provide health coverage under a Qualified Medical Child Support Order (QMCSO).
- **Disabled children over age 26 if unmarried, incapable of self-support, dependent on you for primary support, and the disability occurred before the age of 26.**
 - For more information on covering disabled adult children, contact the **Health & Welfare Trust (plan administrator)** at 503-486-2107.

Eligible dependents do **NOT** include:

- A spouse from whom you are legally separated or divorced
- Anyone on active military duty
- Children over the age of 26 who are not disabled
- Your grandchildren, nieces/nephews or other relatives who live with you (unless you have court-appointed custody)

IMPORTANT: You must notify the Health & Welfare Trust Administrative Office when a dependent is no longer eligible. You may be required to repay the Trust for any benefits paid after the dependent's eligibility ends.

You will be required to submit the required documentation for all your dependents enrolled in your PPS health insurance plan

The Affordable Care Act (ACA) requires the District to collect social security numbers for all dependents enrolled in the employee's medical plan. The social security numbers are used as identifiers in reporting health insurance coverage to the IRS. Dependents for which social security numbers are not provided may not be enrolled.

Secova Dependent Eligibility Verification

To ensure that all enrolled dependents meet the Health & Welfare Trust's eligibility requirements, the H&W Trust works with **Secova**, an independent firm, to conduct confidential dependent eligibility verification.

If you are covering dependents, you must fully complete the mandatory dependent eligibility verification through Secova

- Within 45 days **AFTER** enrolling in benefits, you will receive your verification packet from Secova to the mailing address on file for you.
- You **MUST** submit directly to Secova all required documents for the dependents you are covering on your PPS health insurance by the deadline provided in your verification packet.
- **IMPORTANT:** If you **do NOT** fully complete the mandatory dependent verification audit through Secova, **your dependents will be dropped from your PPS health insurance** on the first of the month following receipt of a final termination letter from Secova.

More information on the Secova dependent eligibility verification can be found on the **H&W Trust website** at https://sdtrust.com/enroll_dependent_verification.php.

Covering a Domestic Partner/Domestic Partner's Child(ren)?

For employees covering a Domestic Partner*/Domestic Partner's Child(ren), the IRS requires the **District to withhold federal and Social Security taxes on the fair market value of the domestic partner and their dependents' coverage**. This is in addition to the base premium that all employees pay based on the plan they choose.

For more information on imputed income, please visit the Health & Welfare Trust website at <https://sdtrust.com/>.

IMPORTANT: The value of your domestic partner health insurance coverage is considered a taxable benefit under federal IRS regulations. If you have domestic partner health insurance coverage, an additional taxable income, also known as imputed income, is added to your pay each month and then the appropriate taxes are withheld. The impact on your tax withholding will depend on your gross pay and your W-4 filing status. PPS cannot provide tax advice. We strongly encourage you to seek out a certified tax professional for assistance.

If enrolling a Domestic Partner/Domestic Partner's Child(ren), the domestic partnership must have been established for at least six (6) months preceding the effective date of coverage. An **Affidavit of Domestic Partnership** (<https://www.pps.net/Page/18910>) notarized by an Oregon Notary must be received by the PPS Benefits Department within three (3) days of your enrollment.

- Most banks offer free notary services and only one of the two partners needs to be present.
- PPS does have free notaries available in Human Resources at the Dr. Matthew Prophet Center (PEC) by **appointment only**. Email benefits@pps.net to schedule an appointment.

** A **Domestic Partner** is an unmarried individual of the same or opposite sex whom you have been living with for six months or more prior to enrolling in PPS benefits. **NOTE:** A legally married spouse is not a Domestic Partner.*

PERS OPSRP membership is established after completion of a six (6) month waiting period for employees who work at least 600 hours per year, and requires an employee contribution of 6% of gross salary on a pre-tax basis to the **Individual Account Program (IAP)**. If you are an existing PERS member, your mandatory contributions begin immediately. This contribution is not subject to Federal and State taxes until it is withdrawn from the retirement system. Additionally, the District contributes an amount to the **OPSRP Pension Program** for each covered employee. Vesting usually occurs after five (5) years of working at least 600 hours per year. Members automatically vest at age 65, even if they have worked fewer than five years.

There are two parts to the PERS OPSRP retirement benefit:

- **Part 1: OPSRP Pension Program**
The OPSRP Pension Program is funded by your employer. PPS contributes an amount set by state statute, necessary to continue funding the pension program. To gain access to the pension program you have to be vested which usually occurs after five (5) years of working at least 600 hours per year. Members automatically vest at age 65, even if they have worked fewer than five years.

AND

- **Part 2: Individual Account Program (IAP)**
The Individual Account Program (IAP) is the required 6% contributed by you. Your account is credited with earnings or losses annually based on investment returns. You are automatically vested in your IAP account when your account is established.
