

## SEGC Staffing Update - Educators

To: All educators  
From: PPS + PAT  
Subject: SEGC Staffing Update  
Date: October 13, 2022

---

Dear Educators,

As many of you know, last spring the PPS School Board approved boundary changes in the Southeast area for fall 2023 that expand access to middle school and strengthen enrollment at small elementary and dual-language immersion programs. We are now in the early stages of planning and implementing those changes. Although not all schools and programs are impacted by the Southeast Guiding Coalition (SEGC) decision, we wanted to share an update regarding the staffing process and anticipated timelines with all educators.

We understand the impact boundary changes have on educators, students, and families. Our school communities are more than places where learning occurs, but places where people feel a sense of belonging, support, and safety. Our community grows to depend on those things from their neighborhood school. Acknowledging that there will be some disruption to school communities who have a shared history, we are committed to communication with you regularly throughout the process.

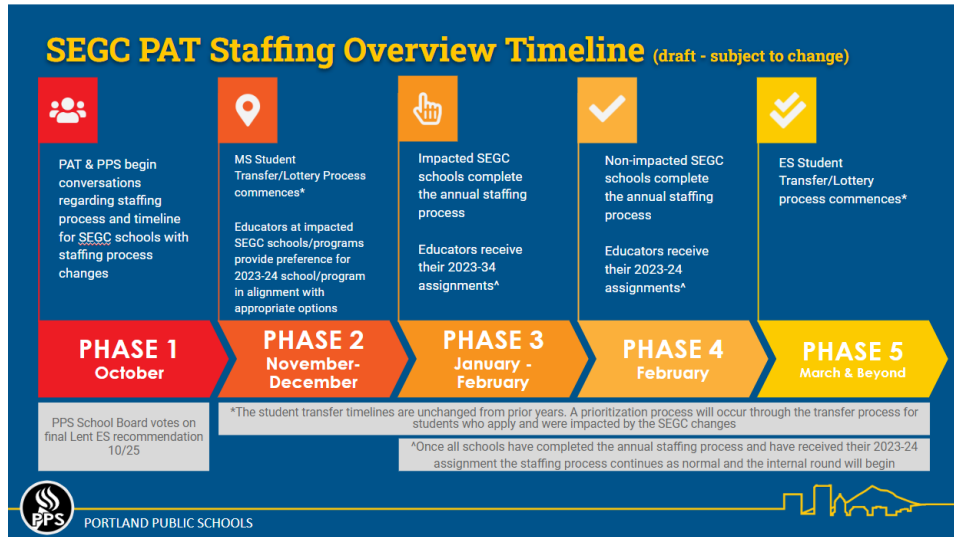

While there are several schools impacted by boundary changes, only the following schools and programs will notice a change in their staffing process for the 2023-2024 staffing cycle:

- Bridger Elementary
- Creative Science K-8
- Harrison Park K-8
- Hosford Middle School (Chinese DLI program only)
- Kellogg MS (Spanish DLI program only)
- Lent Elementary
- Marysville Elementary (potentially, based on board decision in late October)
- Mt. Tabor MS (Spanish DLI program only)

PAT and PPS have begun conversations regarding the staffing process for educators at impacted schools. Although we do not have the details fully finalized yet, generally the follow-the-student concept shall prevail. Additionally, we wanted to share this high-level, estimated [timeline](#) with you.

### SEGC Staffing Update - Educators

We know you have questions and we are working quickly to have additional information soon and will provide updates as we have more to share.

Warmly,  
Dr. Jon Franco, Chief of Schools and Angela Bonilla, PAT President
