# TECH TOWN HALL
JANUARY 2022

Virtually attend this one hour Town Hall style discussion on current and future district-wide tech projects and get answers to your technology questions.

DON WOLFF
PPS CHIEF TECHNOLOGY OFFICER

Join the Portland Public School's Chief Technology Officer, Don Wolff, to learn more about the classroom technology improvements that are being implemented as part of Bond 2020. Also, learn more about the steps being taken to provide a more secure digital landscape – why these steps are needed, the impacts they will have on you, and how you can help ensure that your data, privacy, and security are protected.

Topics will include:

· Bond 2020 implementation and pilot programs
· Digital health recommendations in prep for the Bond 2020 tech improvements
· How to request software for Chromebooks
· Saving your work to the cloud so you can access it from anywhere
· Password Manager enrollment
· Cyber security
