

# CLEVELAND ACCESSIBILITY SUMMARY

Cleveland High School  
3400 SE 26th Avenue  
Portland, OR 97202

## SUMMARY

Cleveland has an accessible route to most program spaces, and all floors of the main building. Priority should be given to providing access to recreational support facilities. Also, modifications to individual elements such as science room sinks and lever handles, should be made based on student needs. The major accessibility upgrades for Cleveland are summarized on this sheet.

This accessible signage at Cleveland is a good example to illustrate compliant directional signage.
