

# SCOTT

## ACCESSIBILITY SUMMARY

Scott Elementary School  
6700 NE Prescott Street  
Portland, OR 97210

### SUMMARY

Most common areas at Scott are located on the ground floor, but the ground floor level varies. Priority should be given to providing an elevator to access the basement cafeteria at this school. Secondary concerns are to revise the interior ramp for compliance, upgrade the student restrooms in the east wing and provide a lift for access to the stage. The elevator, ramp, lift, door hardware and plumbing comprise the majority of the upgrade work. The major accessibility upgrades for Scott are summarized on this sheet.
