

WOODLAWN ACCESSIBILITY SUMMARY

Woodlawn Elementary School
7200 NE 11th Avenue
Portland, OR 97211

SUMMARY

All common areas at Woodlawn are located on the ground floor. Priority should be given to providing an elevator for access to second floor classrooms at this school. The elevator, ramp, door hardware and plumbing on floors other than the main level comprise the majority of the upgrade work. The major accessibility upgrades for Woodlawn are summarized on this sheet.

This door at Woodlawn is a good example which illustrates non-compliant door knob hardware which is still prevalent at many schools.
