Forecasting provides you with the opportunity to identify the *core* courses required for you to graduate as well as *elective* courses available to both enhance and support your school experience. A full schedule of eight classes is a requirement for 9th Grade. You should carefully review the list of courses available in the 2020-2021 Forecast Guide, consult with your parent or guardian and counselor as needed, and select a math, world language and two elective courses along with alternate course choices to meet your educational goals.

Note: Courses with an * must meet prerequisite requirement

Courses with a + require an application

Courses with a ** eligible for dual credit

I have reviewed the Forecast Guide and discussed my course selections with my parent or guardian. I understand my second semester grades this year could impact my final schedule. I have made my choices thoughtfully & I understand that I will not be allowed to make changes (other than level changes) in the fall. Course offerings & staffing decisions are based upon student forecasting. Any questions regarding forecasting for next year please call the Counseling Office at 503-916-5140.
