Progress Reports/Report Cards (what a grade means):

Assessment/evaluation/grading policy:

100% & above A+	Consistently meets and at times exceeds proficiency by applying knowledge and making connections that were not explicitly taught in class.
90-99 % A	Almost all learning targets are fully or consistently met. Assessment scores indicate a high level of understanding of concepts and skills.
80-89 % B	Most of the learning targets are fully or consistently met. Assessment scores indicate a good grasp of concepts and skills.
70-80 % C	Some of the learning targets are fully or consistently met. Assessment score indicates satisfactory acquisition of skills and concepts.
60-70 %	Only a few of the learning targets are fully or consistently met. Students are beginning to grasp and apply concepts.
0-59%	Below – None or almost none of the learning targets are fully or consistently met. Assessment scores indicate little understanding of the concepts and skills. Assignments are of poor quality, frequently incomplete and/or late, and do not show attention to detail.

Quizzes and tests- formative and summative- CAN be retaken. They are all aligned with learning targets and proficiency standards so as long as the student shows they know the material, they will pass them.

Homework- During Asynchronous time, students will have assignments to practice on their own. It is always important to practice spanish so I also recommend that students regularly review their notes and use quizlet.com, quizizz.com, conjuguemos.com, kahoot.com or can download duolingo and word reference on tablets and phones.

Office hours are a great option for students to make up these tests! I am also available at other times if the student makes arrangements with me during Asynchronous time.

Personal Statement and other needed info

I believe that students learn more efficiently if they are encouraged to be the managers of their own learning and in which the teacher or instructor is a guide, a facilitator and a model. This virtual learning practice is an opportunity to become more creative and resourceful within our capacities.
