To: Extended day program administrators

1. Extended day billed time will be as follows:

Example:

Fixed Time	Fixed Time	Routes stops example	Total billed time example
Travel time is the time for to bus to get to school	Spot time is arriving to school time	Route Time = from school to bus yard	Total billable time
0.30	0.10	1.00	1.40

Travel time is time for the bus to get to the school, and is for all extended day trips. (*Fixed-set time*, time not covered by transportations budget)

Spot time is required time the bus is to be at the school, and is for all extended day trips. (Spot time is a *fixed set time* to arrive at school)

Routed time is the routed time from the school and back to the bus yard.

If the billed time is less than your total billed time you will be billed the lesser time.

2. Budget information for the 2023-24 school year:

Yellow School Bus Contractor will have a annual rate increase on July 1.

Vendor	Excess Hourly Rate
23-24 First Student	\$61.52
23-24 Student Transportation of America	\$58.80
