**Parents and other Observers,**

To link yourself to a student, you will need to enter a student-specific pairing code. Pairing codes are case sensitive and are valid for seven days. Students can generate pairing codes from their User Settings.
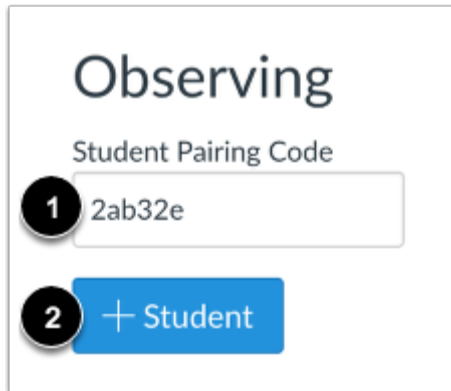

Open Account Settings

In Global Navigation, click the **Account** link [1], then click the **Settings** link [2].

Open Observing

In User Navigation, click the **Observing** link.

Add Student

Type the pairing code in the **Student Pairing Code** field [1] and click the **Add Student** button [2].

View Student

View the paired student.
