

# Lincoln Rebuild

Looking west from the new track and field

## Construction Overview

In the Fall of 2022 the new Lincoln High School building will open on the west side of the existing campus. In 2023 the new track and field will open on the site currently occupied by the existing school. During construction of the new building, students will continue using the same Lincoln building. Construction activities will be separated by fencing providing a safe environment for students and staff.

## Lincoln Rebuild Summary

The Lincoln rebuild includes a new multi-story building of that includes performing arts spaces, a student commons, an expanded gymnasium facility and state of the art classrooms. There will be a plaza adjacent to the student commons for outdoor activities and to connect the campus to the surrounding neighborhood through pedestrian-friendly design.

## New Lincoln Highlights

### Cafeteria, Commons, and Plaza

The commons and outdoor plaza welcome students to the main entrance to Lincoln. The commons serves as the heart of the school with direct connections to the cafeteria, as well as the plaza and performing arts spaces.

### Arts/STEM/Maker Space

Specialized classrooms for 2D and 3D fine arts including photography, film, painting, and ceramics are on the top floor of the classroom building with abundant natural light. Adjacent flex spaces provide opportunities for display of student work and gallery style events. STEM labs and a Maker Space with tools and equipment will support project-based learning.

### Athletic Facilities

A new 1,700 seat main gym, auxiliary gym, weight room, wrestling/dance room, and a new track and field.

### Performing Arts

New facilities include a 500-seat auditorium, a black box theater, dedicated band and choir classrooms with associated practice rooms.

### Career Technical Education CTE

Students in the modernized Lincoln High School will have access to specialized classrooms and computer labs for computer science, product design, mass communications, culinary arts, and business management programs.

## Project Timeline

### SPRING 2019–FALL 2019

#### Design and Permitting

Construction documents and building permitting process

### WINTER 2020–SUMMER 2022

#### Phase 1 Construction

Main building and plaza are constructed  
*Students remain in original building*

### FALL 2022–FALL 2023

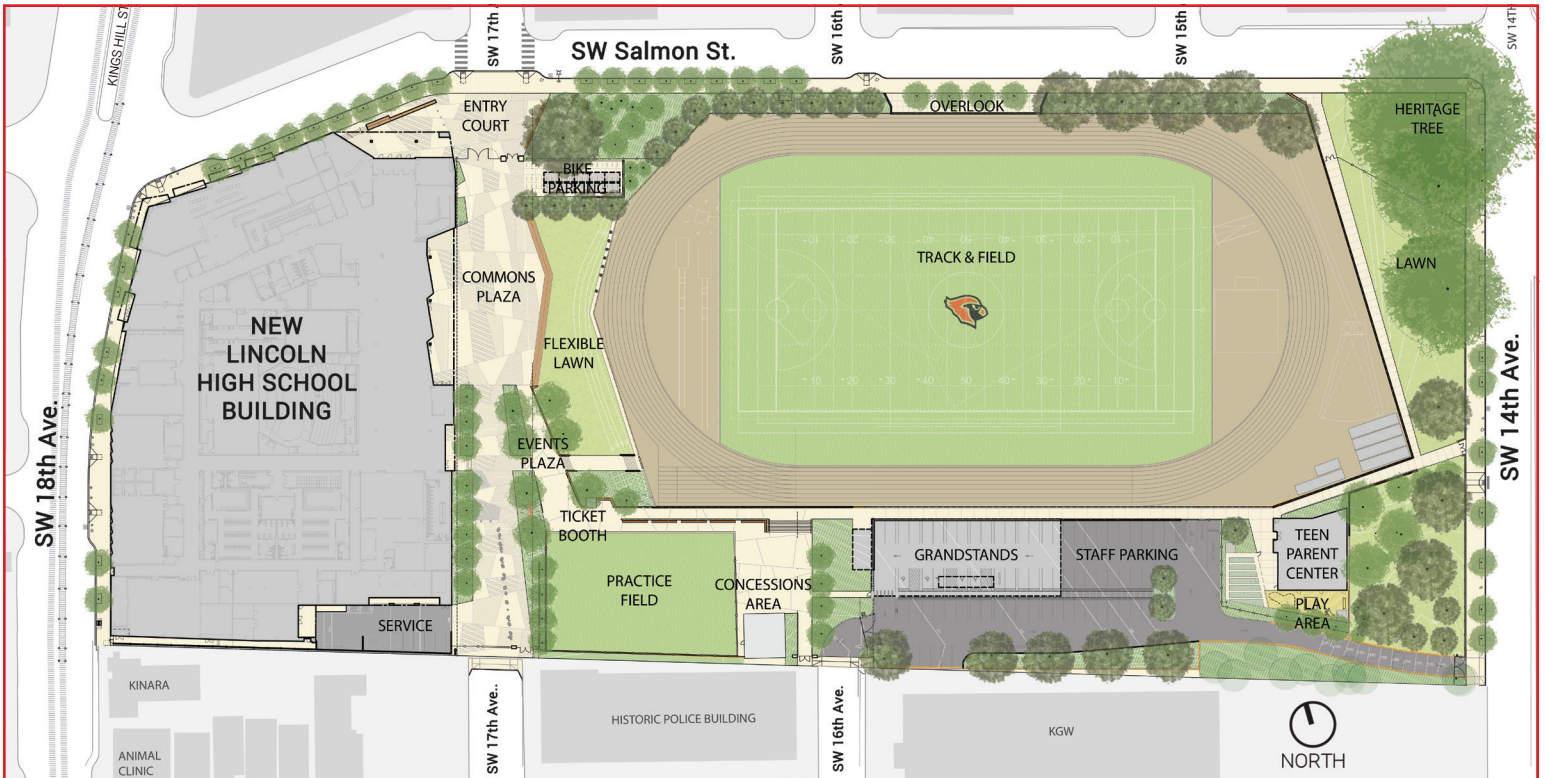

#### Phase 2 Construction

Track & Field and parking lot constructed  
*Students move to new building*
