## School Improvements 2016

# SCOTT K-8

Scott K-8 is now better and more accessible thanks to the voter approved PPS School Building Improvement Bond.

### Work included:

Phased elevator project beginning in summer 2016 with expected completion by the end of April 2017.

New concrete access ramp at the main entrance.

Scott K-8 science classroom improvements include: new overhead electrical outlets, accessible sinks, eyewash station, added cabinetry, new flooring, new science tables and chairs and new paint.

Scott K-8 is one of seven schools that were successfully upgraded this summer. All the work was completed as part of the 2012 School Building Improvement Bond.
