**Subject:** Grant Softball Field Option Recommendation

---

Since our last work session on the Grant Softball field, the baseball coach, softball coach, school principal and district athletic director have unanimously recommended Option 1 – Grant Bowl. This option will include the installation of lights to allow for evening play. This is the first choice for staff and the second choice for Portland Parks & Recreation.

These recommendations have been reviewed by the board subcommittee comprised of Director Scott Bailey and Director Julia Brim-Edwards. Both Directors concur with the recommended Option 1 – Grant Bowl option.

Option 1 is the most favorable and is being recommended to move forward. The district will partner with Portland Parks & Recreation for planning and administration of the project.
