<b>DISCUSSION</b>	<p>This year our Site Committee will be constructing a survey to the Parents/Staff and Students. Our focus will center on safety. Mary and Doris students. Teresa will focus on staff and George and Sam will focus on Parents.</p> <p>We will also be ready to look at the CAP when it is ready for us.</p> <p>Place in discussion: Translation.</p>		
<b>CONCLUSIONS</b>	<p>January 6, 2015 will be our next meeting. All of us will be ready to share our part of the survey – ready to release.</p>		
	<p>George has a discussion item. Global Roots. They would like to establish a greenhouse/community garden at James John. Intention is a means to grow food for after school program/curriculum. Site agrees this is a good idea – and it does carry a risk with both options. They ask: What will the fence look like? If you use the food, can you get the volunteers to assist in the summer to volunteer? George says that this will come with assistance from the program and the Green Team! Let's get the family investment. Sam has a phone conference with the program tomorrow.</p>
