

Kindergarten at LLeuwellyn 2025-26

Thank you for coming to Llewellyn's Connect to Kindergarten! Here is a brief summary of information that is being provided tonight.

- Enrollment can be done either online at pps.net/enroll or with a paper registration form. If you use online enrollment you must either upload the required documents or bring them into the office before your child's registration is approved. Please bring all registration paperwork into the office by June 1st so we may enroll your child and prepare for the fall.
- School supply list will be on the Llewellyn Elementary website by the end of June.
- When we return in August your kinder will be coming to one of 3 small groups that will have the chance to get to know each of our two kinder teachers and some of their new classmates. During this time parents will have a chance to have a brief presentation from our principal and school counselor. The schedule of this is as follows:
 - **Students with last name A-I Tuesday 8/26 9:00-10:30**
 - **Students with last name J-Q Tuesday 8/26 12:00-1:30**
 - **Students with last name R-Z Wednesday 8/27 from 9:00-10:30**
- Thursday 8/28 and Friday 8/29 we will have Kindergarten Ramp UP. This is where half of each class will attend for the full day and then on Tuesday 9/2 there will be an official full day with the whole class! The schedule for those days is as follows.
 - **Students with the last name A-M will attend full day on Thursday 8/28**
 - **Students with the last name N-Z will attend full day on Friday 8/29*****if adjustments need to be made to balance the numbers you will be notified directly**
- You will receive an email from Kellie in the office on Wednesday 8/27 with notification of who your kinder's teacher will be. This enables us to truly balance the classrooms as much as possible.
- School hours are 8:00AM-2:30PM. The front office is open from 7:00AM-3:00PM. Breakfast is served at 7:40AM in the cafeteria.
- Kindergarten students arrive and are dismissed outside by the garden area on the southwest corner to alleviate crowded hallways.
- Make sure to check out our website at pps.net/llewellyn for more updates and the school calendar.
- Scan the QR code to Llewellyn's kindergarten page to enroll.

We can't wait to see you and your kinders here next year!
