CONSTITUTION TEAM 2ND IN NATION!!

Huge congratulations and shout out to Angela DiPasquale and the Grant Constitution Team for taking a second place win in the 2021 We The People National Finals! This competition requires an incredible amount of time, dedication, and intellectual depth from our young Constitutional scholars. The coaches did an incredible job of helping them navigate their way throughout the entire process to secure the second place win and honor.

The passion and poise our Grant students projected throughout their time on the Con Team and in the Competition would certainly make the Framers proud!

GHS RESOURCE CENTER

The Substance Use Supports Team Student Success & Health is excited to offer a Parent and [Family Support Group in Spanish](#) beginning this Wednesday 4/7. The group will be offered virtually from 5:00-6:30. Families are not required to attend all and drop-in's are welcome!

Topics will include;

- Getting information about adolescent substance use and brain development
- Reviewing skills for parenting during adolescents
- Talking about what is "normal" and when to be concerned.

For questions, please contact Marysol Jimenez at majimenez@pps.net.

Substance Use Resources for Parents and Families

One -the PPS Substance Use Supports Team is starting drop-in hours for families that will be offered bilingually in Spanish and English. This is a space for parents, families and caregivers K-12 to drop-in and ask questions, get support, find out about resources and brainstorm with staff and other parents ideas for helping their students. The space will always be staffed with a minimum of one Spanish speaking clinician. [English Flyer](#) [Spanish Flyer](#)

Two - [Six Week Family Support Group](#) - Student Success & Health is working with Vital Space Counseling to co-facilitate a group for parents and families who are concerned about their teen's (6th-12th grade) substance use? Families can gain support, understanding, and tools to help them interact with their child in a way that increases connection and encourages change. The Invitation To Change Group is a 6-week mini course using evidence-based approaches, including CRAFT, that teaches parents and guardians how to understand and invite the process of change and communicate better with their child. Currently, this group is only being offered in English, but we are completing training and updating the curriculum so we can offer the same group in Spanish to families after Spring Break.

CLASS OF 2021

Senior Celebration Update - Pivot to Prizes

The Senior Celebration parent organizing committee would like to thank Grant parents, students and community members for their overwhelming generosity and support of the class of 2021. We have been thrilled by the community response and are so grateful to be part of this wonderful Grant family. We originally planned multiple events and activities for our Senior class, but like everything else happening in the world, we are now being asked to pivot. Due to Portland Public Schools directives, increased COVID risk levels in Multnomah County, and the complexity of trying to plan anything during a pandemic, we are now cancelling the originally scheduled celebration events. Seniors will still come to Grant to pickup caps, gowns, lawn signs and t-shirts on May 5th (sign up [here](#)), and do their senior clearance on June 2,3 and 4 (sign up [here](#)), but we will be unable to conduct any other activities in conjunction with these school events.

Instead, we are doubling down on showering our seniors with prizes. Donations of prizes via our [Amazon wish list](#) has been wonderful. If you haven't yet donated a prize, please consider visiting the list and making a purchase. All remaining funds donated to the Senior Celebration will be directed to prizes and gift cards to be distributed to our seniors between now and graduation. We will be drawing names of ~20 seniors each week for some fabulous prizes, and posting those winners [here](#) (site will be updated this weekend with details). Air pods, noise cancelling headphones, coolers, and multiple \$100 gift cards are all part of this huge pool of prizes!

Thank you to the amazing family and community sponsors and supporters for making these events possible. Special thanks to these organizations below who have given generously to support the class of 2021.

NUTRITION SERVICES

HYBRID AND DISTANCE LEARNING MEAL SERVICES

All school meals will continue to be free for all students in all schools, and no student ID or names are needed to receive meals.

Once a student returns to hybrid in-person instruction, meals will be served at the end of each of the in-person sessions.

Service Style may vary between schools depending on facility, dismissal schedule, etc. Please work with the NS manager/supervisor and NS Lead to determine the best service option for your site. Options may include (and be a combination of the following):

- Students coming through the cafeteria to pick up their meals before leaving the building
- NS staff serving meals off mobile carts near main exits during dismissal
- NS staff to deliver meals to classroom (leave meals and count)

We will also want to work with you to determine a time and location for families in distance learning to pick up meals from your school. This should be a time that coordinates well with the dismissal schedule for your school. For example, if your school has only 1 cohort in the morning, you may consider offering a time just after dismissal to coincide with the scheduled lunch time.

If a student is staying in distance learning -- or if their hybrid in-person learning has not begun -- they should visit any of our **new meal distribution sites** between 3:30 and 4:30 p.m. on school days to pick up meals. For more information please visit the Nutrition Services [website](#).

New Open Community Meal Distribution Sites - Meals on Buses - When students are dismissed from their in person learning, they will be offered school meals to take home with them. If they are riding on the bus, there will be a green container for all school meals to be held while they are traveling to their home or bus stop. As the student leaves the bus, they will pick up their meal again from the green container. Students with special diets or allergies will have their meals in labeled bags and may be stored in a separate container. Please reference this [Standard Operating Procedure](#) for more information.

STATE PROGRAM OFFERS FAMILIES HELP TO PAY FOR FOOD - As our community deals with fallout of the coronavirus pandemic, we want to make Portland Public Schools families aware of a state benefit to help pay for food. The Pandemic Electronic Benefit Transfer program, or P-EBT, is available to help families offset the cost of meals that would have been consumed at school. It is administered by the Oregon Department of Human Services. The P-EBT benefit is

available to families with a student who qualifies for free or reduced-price meals and any student enrolled in a Community Eligibility Provision (CEP) school. For those families. For assistance with submitting a meal application, or for more information, please contact the PPS Meal Benefits Office: mealbenefits@pps.net or 503-916-3402.
