Please help us make the 2025 senior ceremonies a memorable experience for all of our graduates and families. **Please Note: This information and future communication will be emailed to families and posted on Franklin's website, Senior Corner at www.pps.net/franklin**

May 29	TICKETS FOR COMMENCEMENT	<p>This year, PPS has partnered with Portland State University to host all high school graduations, including Franklin's, at the Viking Pavilion. The venue has a total seating capacity of 2,477, plus 60 ADA-accessible seats. With 436 graduates, we can only guarantee five tickets per graduate, unfortunately.</p> <p>For those needing additional tickets, we will hold a lottery. However, over 330 students have already requested extra tickets. Due to limited space, the maximum we can offer through the lottery is one additional ticket per graduate who enters. <i>Students who have requested extra tickets will automatically be entered into this lottery for one additional Viking Pavilion ticket. *We will announce lottery winners to families by April 15th.</i></p> <p>Additionally, PSU offers an alternative viewing location, The Ballroom, where the ceremony will be live-streamed. While not in the main venue, The Ballroom is nearby and can accommodate 682 guests. <i>Students who requested extra tickets will also be automatically entered into a separate lottery to receive up to two additional tickets for The Ballroom.</i></p> <p>This year, tickets will be issued as colored wristbands, with one color for Viking Pavilion entry and another for The Ballroom.
