

Statement of Facts

HIGH IMPACT TUTORING IS EXPANDING

We have secured additional funding which will allow us to expand the **High Impact Tutoring (HIT)** program to more schools for the 2025-26 school year.

- 45 schools will take part in one of 3 school level delivery models
- 10 schools will get a new reading support pilot program

High Impact Tutoring School Level Delivery Models (45 schools)

1) 2 Reading Support EA's (Bilingual English/Spanish)]

Serving 9 SDLI and co-located SDLI schools during WIN (What I Need) Block.

2) "Reading Results" Program (English Tutoring, Grades K-4)

Serving 30 schools during WIN Block.

3) Single Reading Support EA's

Serving 6 schools

Reading Support Student Level Pilot Program (10 schools)

- We prioritized 10 additional schools for a new reading support pilot program that will provide support at the individual student level

How Schools Were Prioritized

Schools were prioritized using a combination of the following data:

- Percentage of K–2 historically underserved students scoring "below" or "approaching" on winter MAP Fluency
- Total number of K–2 students below benchmark
- Current FTE dedicated to intervention support
- Percentage of students below benchmark by 3rd grade MAP Growth
