**Welcome** to the 2019-2020 school year! Once again it is time to gather at registration and prepare for another great school year. Whether this is your first year as a Wilson parent, your last year, or somewhere in between, we know how important it is to feel well informed about what is going on in your child's school and to feel represented. The PTA strives to keep parents informed, advocates for the entire parent community, and provides you a way to make a difference in your child's school and education experience. We all want our children to have a high school experience that prepares them for their next adventure in a safe environment where they can learn and grow. Parent participation is a very important piece of this equation.

Here are some ways you can get involved today:

**Join** - See the Membership form included in the registration packet for how to become a member.

**Volunteer** - There are many ways to pitch in and volunteering is great way to get to know staff and meet other parents. Notices for volunteering are sent out in the Daily Bulletin.

**Support** - Beyond your membership dues, PTA needs your financial contributions to provide support for school-wide programs, scholarships and teacher support. Donations are tax-deductible and your employer may even provide matching funds for time or money you contribute.

**Attend** - Please come to our PTA meetings. In addition to our general meetings we offer Parent Education Nights throughout the school year on topics relating to the high school experience.

We look forward to meeting and working with you this coming year!

**Beth Cooke, Wilson PTA President**

**Dick Hausken, Vice President**

**Curtis Roth, Secretary**

**Kelly Christopherson, Treasurer**
