Dear Wilson Students and Families,

Welcome to the 2019-2020 school year! We are so glad that you are joining us.

I am starting my 20th year as an educator and it is my absolute pleasure and honor to serve as the new principal of Wilson High School. Over the past few

months I have had the great pleasure of meeting with many Wilson students, families, and staff. I have been impressed and inspired by the stories I have heard and I am confident that we have a great year ahead of us.

Wilson teachers are passionate, creative, and deeply committed to their students' well-being. Our students are empowered to lead by example and to create an inclusive school community where all students feel a genuine sense of belonging. And our families are eager to support and celebrate the good work that is happening in the classrooms, on the athletic fields, and in the community. We clearly have a tremendous community in place to support our students' learning and growth and I am thrilled to do my part in helping Wilson High School become a school we are all proud of.

My job at Wilson is to listen, to learn, and to lead. If I haven't had a chance to connect with you yet, please don't be shy. Join me for one of the Coffees with the Principal or find me at the school entry at the beginning or end of the day. Please join one of the parent leadership organizations and know that we truly value your support. Finally, be sure to let me know if there is anything that we can do to support families and students in the weeks and months to come.

Sincerely,

Filip Hristić, Principal

Athletics

More than half of Wilson's students play one or more sport, whether it's PIL or club sports. For more information on sports, teams, game schedules, and registration, go to the Wilson athletic site at <u>wilsonathletics.com</u>. Fall sports registration has begun, so be sure to visit the website soon if you haven't already signed up.

Tutor Time

Tutor Time provides students an opportunity to get additional help from their teachers, make up exams, or collaborate in peer study groups outside of regular class time. All students are required to remain on campus and utilize Tutor Time to see teachers or to work independently on school assignments.

Activities & Clubs

There's a club for everyone at Wilson! The line-up changes each year, but usually there are more than 30 clubs and activities to choose from. Students interested in starting a new club should contact Ken Muraoka, Activities Director, for a new club application form. All students visit the Club Fair on September 25 to learn more about which club (or clubs) is right for them.

Wilson Counselors and College & Career Center staff keep students on track to graduate and achieve their goals beyond graduation. Students are assigned a counselor in freshman year, and generally stay with the same counselor throughout their time at Wilson. The Wilson College & Career Center (CCC) is in room 149, run by staff and volunteers to help students fulfill career related learning graduation requirements, research careers and colleges, and with college and financial aid applications.

Wilson students should have their own Chromebook or other laptop computer to carry daily between home and school. Parent Involvement

All of these organizations provide important support for our students and rely on parent participation to be effective. Your donations are critical to the success of the school and volunteering is fun and a great way to meet other parents, staff, students and the whole Wilson Community! We rely on our community to bridge the gap between adequate and excellent—please support today!

Foundation

Your Donations Add Teachers at Wilson

The Wilson Foundation funds teaching positions, raising funds to decrease class sizes and provide a diverse range of electives. The Foundation is the only entity that can pay for staff, and contributions help mitigate cuts to our school due to district and state shortfalls.

Foundation receives direct contributions from families in the form of monthly contributions on a credit card, matching gifts from employers, contributions made at House Parties, responses to direct fundraising appeals and the Auction. Last year the Foundation was able to provide funding to restore teaching positions.

The A/B Schedule

School days alternate between A days (periods 1-4) and B days (periods 5-8). Tutor Times are generally held twice a week on Thursday and on either Wednesday or Friday. Some Tutor Times will be replaced by assemblies. High Schools do not follow the PPS late arrival schedule. Consult the Wilson website for specific A and B designations and week-to-week schedule for Tutor Time.

*Tutor Time provides students an opportunity to get additional help from their teachers, make up exams, or collaborate in peer study groups outside of regular class time. All students are required to remain on campus and utilize Tutor Time to see teachers or to work independently on school assignments.

Attendance

Attendance is crucial to student success. In partnership with students and parents, Wilson staff work hard to make sure all students are in class every day pursuing their academic goals.

When a Student Has Been Absent from School:

A parent or guardian must contact the attendance office within three days of a student's return to school to excuse an absence. It's important to communicate with the school so that legitimate absences don't become unexcused absences, which can result in disciplinary action. Here's how:

Bring a note from a parent/guardian to the attendance office, located in Wilson's main office

Call the attendance office at (503) 916-5294 and leave a message

Email Sara Mattheisen, Attendance Secretary, at <u>smatthei@pps.net</u>

For a complete description of Wilson attendance policies, procedures and supports, go to <u>www.pps.</u> <u>net/Page/10116</u>.
