## 2019-2020 Junior Forecast Sheet

Class of 2021

Forecasting provides you with the opportunity to identify the *core* courses required for you to graduate as well as *elective* courses available to you that can both enhance and support your school experience. PPS requires 24 credits to graduate. A full schedule of eight classes provides you with the opportunity to take maximum advantage of the educational opportunities available to you. You should carefully review the list of courses available; consult with your parents and counselor as needed, and select eight courses along with alternate course choices that meet your educational goals.

**Courses with an asterisk (\*) have prerequisites.**

# STUDENTS ARE REQUIRED TO TAKE EIGHT CLASSES

I have reviewed the online Course Guide and discussed my course selections with my parent or guardian. I understand my second semester grades this school year could affect my final schedule for next year. I have made my choices thoughtfully and I understand that **I will not be allowed to make changes** (other than level changes) in the fall. Course offerings and staffing decisions are based upon student course requests.
