FY2G Post-Secondary Presentation - -PCC, Exercise Science - Tanya Littrell/Alma Eaton

Wednesday, 12/2, 12:00pm-12:45pm

Meet Tanya and Alma. They represent PCC's Exercise Science Program. The Portland Community College Exercise Science program, located primarily at the Sylvania Campus, provides high-quality education and practical experiences to prepare you to successfully join the workforce as a fitness professional. Join us and learn more.

FY2G Career Presentation -PCC, Computer Inform. Systems/ Comp. Sci. Transfer (Michele Maxwell)

Wednesday, 12/2, 1:00-1:45pm

Meet Michele. She represents the PCC Computer Information Systems/Computer Science program. Computer Information Systems (CIS) are a necessary and vital component of our modern life. Our program prepares students for careers in computer networking and information software by providing training in the programming languages, tools and technologies used in today's IT industry.

FY2G Career Presentation-Jay LaValley, Managing Partner-Verizon

Wednesday, 12/2, 3:00pm-3:45 pm

Meet Jay LaValley, Managing Partner for Verizon. Jay went to college from high school to play baseball, but found that he was really interested in his business classes. He started working for Verizon during college and after graduating went to work for them full-time. Follow his career pathway and find out about how he uses his technical and leadership skills for success.

FY2G [Career Preparation Skills-Amanda Merrill, Goodwill Industries](#)

Wednesday, 12/2, 4:00pm-4:45pm

Meet Amanda from Goodwill Industries and learn how to Prepare for the Job Interview. During this experience, you will learn: How to research the company that you are applying to, How to present yourself, Some questions that may be asked at the interview, What questions you should ask during the interview and How to follow-up post interview. ***NEW AND EXCLUSIVE FOR THIS SESSION: You will have the opportunity to apply for a REAL PAID JOB with Goodwill Industries.*** All students who attend this session and complete the Goodwill Industries application are guaranteed an interview for a real job over the following days. You can complete the Goodwill Industries application prior to the session at <https://meetgoodwill.org/goodwilljobs/>

More Future You 2 Go Coming Your Way this Month!

Wednesday, December 9, 2020 from 1:00 pm-1:45 pm: [Post-Secondary Presentation- PCC Engineering Technology: Civil, Mechanical, Electronic- Linda Browning, Student Advisor.](#)

Engineers collaborate to create solutions for real-world living. If you like solving problems, helping others, and making the world a better place, PCC has options for you. Portland Community College offers certificates and degrees in civil, electronic, and mechanical engineering technology. They also offer freshman and sophomore course work for students who wish to transfer to a four year University.

Wednesday, December 9, 2020 from 2:00pm-2:45pm: [Career Presentation-Whitney Cole, RN and pursuing a Masters in Public Health Degree.](#)

Meet Whitney, who graduated from Linfield Nursing School. Find out her career has transcended from working at the US/Mexico border, Habitat for Humanity, an RN at OHSU and as an RN in a Covid-19 unit in Georgia. Join us to learn about how her internships, being tri-lingual (ASL, Spanish and English) and adventurous has helped her to have a broad career in nursing.

Wednesday, December 16, 2020 from 2:00pm-2:45pm: [Career Presentation-Customer Service Pro, Verizon w/Catassia](#)

UNDERSTANDING YOUR MILITARY OPTIONS

US Air Force Academy and ROTC Program Info. Session

Wednesday, 12/2, 3:00pm, [Register HERE](#)

The USAF Academy Admissions Advisor and AFROTC Scholarship & Admissions Advisor for Oregon are hosting a virtual discussion on college prep for students. During this discussion we will talk about the various ways a high school student can prepare for their future and the college admissions process.

We welcome all students and their families to attend. Regardless of attendance to this event residents of Representative Earl Blumenaur's Congressional District (OR 03) will benefit from favorable admission odds in their Air Force Academy application due to fewer applicants at the Academy in recent admissions cycles.

See Flyer [HERE](#)

Careers in the Military Panels

Wednesday, 12/2, 12:00pm-3:20 pm

For complete schedule and registration information, please see <https://www.pps.net/Page/1408>

OTHER CAREER LEARNING EVENTS

FBI Careers, Trivia Quiz and FBI Swag

Are you thinking about a future career with the FBI? During the months of February and March 2021 [PPS "Future You" Career Learning Program](#) will be launching our first ever FBI Virtual Academy! Selected students will have the opportunity to gain a better understanding of the FBI and the various positions and career paths available at the FBI. *Stay tuned! Registration for the FBI Virtual Academy will open on December 15th.*

In preparation for the FBI Virtual Academy, we want to invite all PPS high school students to learn more about the FBI through this fun [FBI Trivia Quiz](#). Complete [the quiz](#) by 4pm on December 11, 2020 to be entered in a drawing for an FBI Swag Set. The winner will be notified via email and have 48 hours to respond before we approach the next winner. The FBI Swag Set will be sent by mail to the winner's home address.

Calling all funk-to-fashion designers!

Young Audiences is looking for students interested in collaborating with a professional designer to co-design and create a garment using recycled and found materials for a fashion show fundraiser. The final designs will be modeled by drag performers as part of a virtual gala fundraiser for Young Audiences to support their ongoing work providing arts education opportunities to young people in our community. The virtual gala will be broadcast in May, 2021. All meetings between student, adult designer and drag performer will take place virtually. Qualifications: Open to all students who are interested in design; No previous experience required, just a general interest and excitement to learn about fashion design; Commit to 5-8 virtual meetings [Virtual collaboration takes place January 2021 to April 2022; Final garment modeled at YA's virtual gala on May 13th 2021]. **Deadline to apply: Friday, December 11th.** Applications and more information at: <https://mailchi.mp/7e3c0dec8247/calling-all-student-designers>

2020-2021 INTERNSHIP & MENTORING PROGRAMS NOW RECRUITING

Young Entrepreneurs Program (YEP!)

The Young Entrepreneurs Program (YEP) is a FREE career leadership program focused on entrepreneurial education & innovation. Students are given the opportunity to develop baseline skills in pursuing entrepreneurial ventures, strengthen public speaking skills, and foster networking skills to build relationships with community members, mentors, and potential business investors.

During this virtual world, REAP and YEP students have been on the forefront of creating platforms for students to network and engage with top entrepreneurs, CEO's, and business leaders in our community as well as the nation through program curriculum. Register for their career talks or join YEP: <https://www.reapusa.org/yep>

The Partnership for Scientific Inquiry (PSI) Now Accepting Applications for the 2021 Program

Website: www.psiprogramohsu.com

We take Oregon sophomore and junior high school students who are interested in pursuing careers in medicine or biomedical research through a 16-week course. The PSI Program introduces high school students to the scientific process and provides access to research scientists from OHSU and other Portland research institutes. This is a semester-long program with a potential opportunity to be paired with a mentor for a summer research experience. There is no cost to students. We meet virtually on Tuesday nights for two hours from February to May. Students must submit an application and arrange for one teacher or counselor recommendation sent to us by the deadline of **December 21, 2020**. For program details and application forms visit: www.psiprogramohsu.com. The program is free of charge; however, attendance is required. [PSI High School Flier 2021](#). Please direct questions to: psiprogram@ohsu.edu

Ted R. Lilley CURE Summer Internship Program

The OHSU Knight Cancer Institute is proud to announce that the Application for the 2021 Ted R. Lilley CURE summer internship program is now open. CURE is an 8-week paid internship program at the Knight Cancer Institute, focusing on Portland-area high school students who excel academically and come from socially or economically disadvantaged backgrounds. The goal of CURE is to address the issue of health equity by

increasing participation of underserved and underrepresented minorities in biomedical research and other health-related fields. For program information plus the link to the online application:

<https://www.ohsu.edu/center-for-diversity-inclusion/ted-r-lilley-cure-program>. Applications are due by **December 18, 2020**.

United States Senate Youth Program

104 Students will be selected for a government and leadership online education program and will each receive a \$10,000 undergraduate scholarship with encouragement to pursue coursework in history and political science.

Two student delegates and a first and second alternate will be designated by the chief school officer from each state, the District of Columbia and DoDEA by February 5, 2021. The Hearst Foundations will provide \$1,000 to each state-level department of education to assist with the selection expenses for the program, and will also provide a public affairs examination that may be used in the selection process. Applications may be obtained directly from the state-level selection administrator for each state. Application deadline dates and processes vary by state. All state contacts, websites and deadlines are accessible on the USSYP website homepage:

www.usenateyouth.org ; [Click here for the official brochure](#).

UO SAIL Program is offering college related workshops

The University of Oregon's Summer Academy to Inspire Learning (SAIL) pre-college program is committed to supporting all high school students, families, teachers and school districts across the state of Oregon by providing access, exposure and engagement to higher education learning opportunities throughout the entire 2020-2021 academic school year! **Programs include: workshops covering FAFSA, college application week, scholarships, resume & interview skills, college and scholarship essay assistance, Q&A with current college students, and faculty presentations, and much more!** Please checkout the [website](#) for more information.
