RE: Guidelines for Speaking at Graduation

In order to be equitable to all seniors, the following guidelines have been established for seniors participating as speakers at graduation, which will be Wednesday, June 8 at 7:30pm at the Memorial Coliseum.

Any senior (who meets the minimum requirements: minimum GPA of 3.0; on track to graduate in June 2016; has been cleared for personal conduct and attendance) who has a desire to speak will need to:

2. Indicate their intention to Abby Menashe, Secretary, by Monday., March 7, 2016
3. Prepare a 2 - 3 minute speech on an appropriate graduation topic for audition on Thursday, April 14th during Tutor Time in room 108
4. A panel of 5 or 6 faculty will hear the speeches and choose up to two speakers
5. Once chosen you will:
 - Rehearse your final speech for staff – date TBD
 - Present final speech to Abby both hard copy and email by May 27th
